

CONFERENCE VENUE

The Symposium will be held at University Town International Hotel, which is located in the vicinity of South China University of Technology, China.

Conference facilities available in main hall include 500 seating, computer facilities, video projector, cordless microphone and speakers.

<http://www.scuthotel.com/index.asp>

HOW TO GET THERE

South China University of Technology is about 1h drive from Guangzhou Baiyun International Airport. Taxis and bus shuttles are available at the airport.

LANGUAGE

The official language of the Symposium will be English.

THE CHINESE EXPERIENCE

Guangzhou city is located in the world renowned Zhujiang River Delta of China. Interested participants can register for selected tours to visit and shop at historic sites such as Lingnan Impression Garden and taste a traditional Cantonese tea.

CONFERENCE CONTACTER

Prof. Xin-An Zeng
Associate Dean- International
College of Light Industry and Food Sciences
South China University of Technology, China

TOPICS

Proposals for oral and poster presentations are welcome in the following themes and other aspects of food science and engineering:

- Advanced food processing technologies
- Nonthermal techniques
- Low carbon food systems
- Imaging and image processing
- Functional polypeptide processing technology
- Cold chain technologies
- Packaging & storage technology
- Transportation, logistics & supply chain management
- Drying & bio-processing technology
- Food safety and traceability
- Nondestructive measurements & biosensors
- Quality measurement, modeling and control
- Novel agro-processing
- Postharvest management

1st Announcement 8th CIGR International Technical Symposium

Advanced Food Processing and Quality Management

Incorporating

1st International Congress on Contemporary Food Science and Engineering

3-7 November, 2013
Guangzhou, China

CIGR – SECTION VI

CIGR Section VI (Bioprocesses) deals with the engineering principles and technologies in postharvest handling and processing of agri-food products. It is devoted to follow the trends, promote the advancement and enhance the dissemination and transfer of technology in postharvest and processing at a global scale.

VISION OF THE SYMPOSIUM

CIGR Section VI is organizing the 8th CIGR International Technical Symposium on "Advanced Food Processing and Quality Management". The Conference will highlight recent scientific advances in food processing and technological tools to handle, preserve, process, maintain and control quality in fresh and processed foods.

WHO SHOULD ATTEND

Researchers, academics, policy makers, food industry, agricultural and horticultural industry, development practitioners, extension agents, students, entrepreneurs.

SCIENTIFIC PROGRAMME

Sunday, 3 November: Registration; Welcome Reception

Monday, 4 November: Opening Ceremony; Plenary Session; Concurrent Technical & Poster Sessions; Workshop 1 (Food Safety); Gala Dinner

Tuesday, 5 November: Concurrent Technical & Poster Sessions; Workshop 2 (Advances in Nondestructive Quality Measurements); Cruise on the Pearl River

Wednesday, 6 November: Concurrent Technical & Poster Sessions; Workshop 3 (Food Processing Technology and Quality Control); Closing Ceremony

Thursday, 7 November: Technical Tours

8th International CIGR Technical Symposium "Advanced Food Processing and Quality Management"

SYMPOSIUM CHAIRMAN

Prof. Da-Wen Sun, CIGR President; Member of Royal Irish Academy; Member of Academia Europaea; Editor-in-Chief of Food and Bioprocess Technology (IF = 3.703); NUI, Dublin (Ireland)

SYMPOSIUM VICE-CHAIRMAN

Prof. Lin Li
Vice President of South China University of Technology, China

CONVENOR

Prof. Xin-An Zeng
Associate Dean- International
College of Light Industry and Food Sciences
South China University of Technology, China
Email: xazeng@scut.edu.cn

CALL FOR PAPERS

Registration is available online at
<http://www2.scut.edu.cn/CIGR2013/>

Abstracts and full papers should be submitted online using the template provided.

Selected papers presented at this Symposium will be published in a special issue of Food and Bioprocess Technology - An International Journal published by Springer.

FEES

Full Registration Before 20/09/2013	400 €
Full Registration After 20/09/2013	450 €
Student Registration	200 €
Gala Dinner*	50 €
Accompanying person**	180 €

Full registration fees include access to the conference, abstract book, proceedings, refreshments, lunches, gala dinner and cruise on the Pearl River.
Student registration fees include access to the conference, abstract book, proceedings, refreshments and lunches.

ACCOMMODATION

A list of recommended hotels and guest houses can be found at the Symposium website.

IMPORTANT DATES

15/04/2013	Call for papers
30/06/2013	Abstract submission
30/07/2013	Abstract confirmation
20/09/2013	Early bird payment
30/09/2013	Full paper submission
03/11/2013	Conference
