

# #UNMUTE CONSENT

Let's be the generation that stands up and speaks out

Consent is about respect, simple as. It is time to own our own roles in demanding and creating cultural change. Let's be the generation that stands up and speaks out. Let's be the ones who actually reverse the trend of sexual harassment and violence, to create a truly respectful environment for everyone – on and off our campuses.

Find out more about all the support, training and resources available at [UnmuteConsent.ie](https://UnmuteConsent.ie)
