Proof of Identity & Residency.

To successfully open a Money Jar account all applicants must provide standard proof of identity documents through the process within the app.

You will be shown what documents you will need to provide on this screen. Everybody is required to provide **Proof of ID and a photo of yourself.**

Proof of identity document requirements.

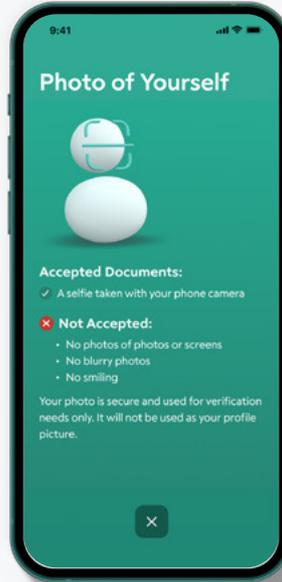

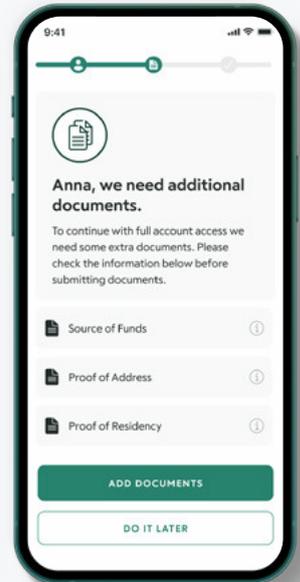

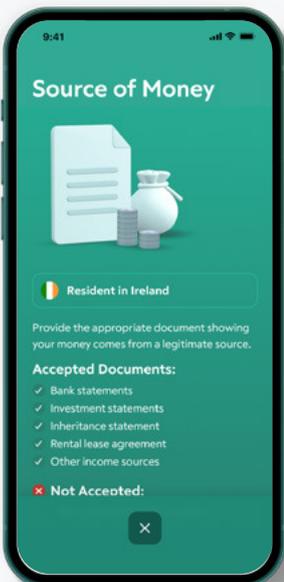

Photo requirements.

Customers from outside the European Union could be asked for further proof that they are eligible to live/work/study in Europe.

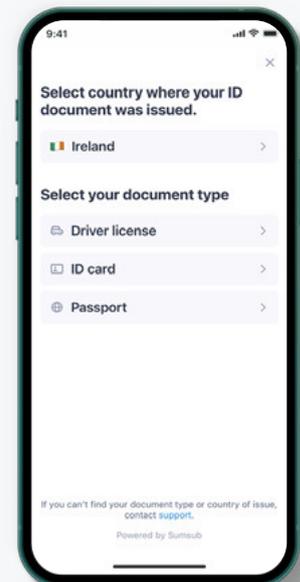

Source of Money document requirements. (if requested)

Proof of Address document requirements. (if requested)

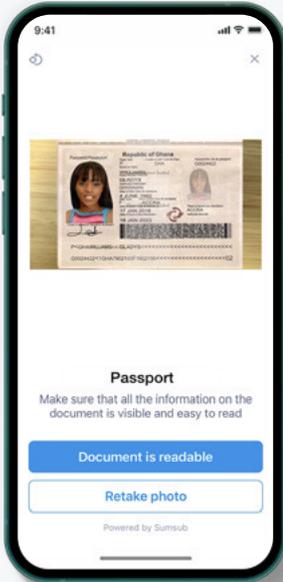

Proof of Residency document requirements. (if requested)

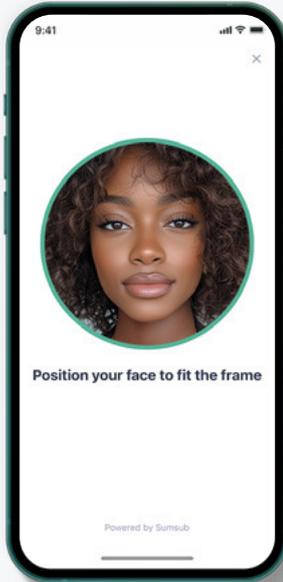

Select the type of Identification you will submit.

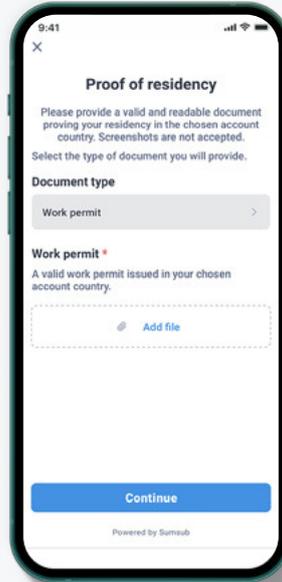

Proof of Identity & Residency Continued...

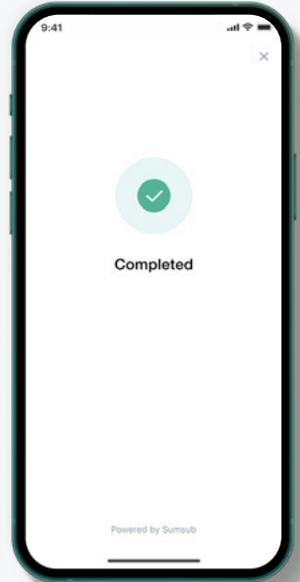

Take a photo of your Identity document.

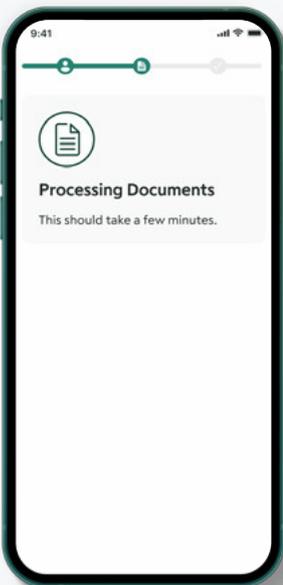

Take a photo of yourself.

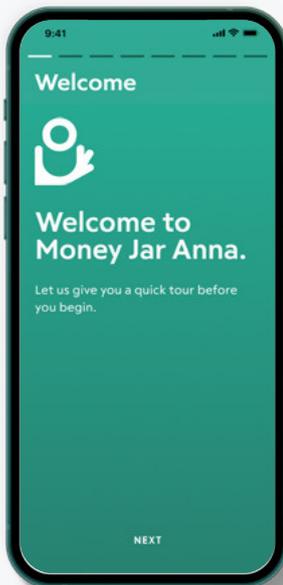

Customers from outside the European Union will be asked to provide extra residency documents.

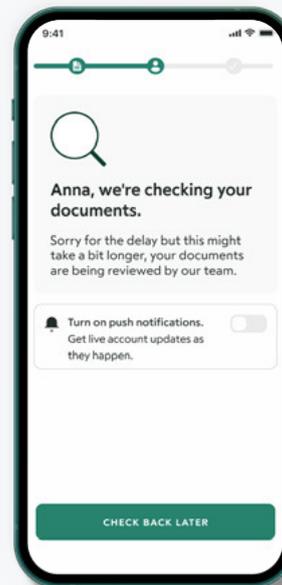

Identity checks will be completed when all required documents have been uploaded.

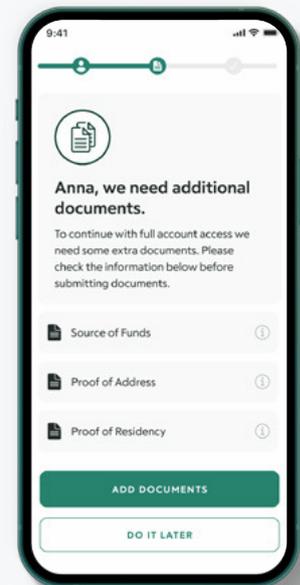

Your documents should be processed quickly.

If all your documents are in order you should have a Money Jar account in a few minutes.

If there are concerns with your documents, there will be a delay while they are checked further.

Some customers may need to add a new document before accounts are opened.

Let us know if you need any help or support when opening your account.
