The executive UCD representative to the Una Europa Student Board:

1. Attends monthly online Student Board meetings as well as three in-person Student Board meetings.
2. Collaborates with other student representatives on developing and implementing internal projects and initiatives.
3. Collaborates with other bodies and groups on co-creating, promoting and providing feedback on Una Europa initiatives, ensuring they align with the aspirations of UCD's student community.
4. Represents UCD students' interests, needs, and perspectives towards the Una Europa Student Board, ensuring that the UCD student community is actively involved in shaping Una Europa's work.
5. Collaborates with the UCD Una Europa Team on raising awareness of Una Europa's initiatives and opportunities among the UCD student community.
6. Keeps the UCD Una Europa Team informed about the ongoing work of the Una Europa Student Board and upcoming initiatives and opportunities by meeting monthly with the Student Engagement Lead.
7. Supports the UCD Una Europa Student Association in developing and implementing student-led initiatives on campus and fostering a stronger connection between the UCD student community and Una Europa alliance by collaborating with key stakeholders, e.g. UCD Student Societies.

STUDENT BOARD OBJECTIVES

The objectives of the Una Europa Student Board are:

1. To ensure the student voice is heard in all aspects of Una Europa's (The Alliance's) development of high-quality education, research and service to society;
2. To ensure the Alliance maintains a high level of integration, diversity, solidarity, and inclusivity, in line with the expectations of its student body;
3. To develop and implement strategies in order to facilitate The Alliance's commitment to developing a student-centred University of the Future; and
4. To listen to the local student bodies of the Alliance's partner universities, and across the Alliance as a whole, and to ensure their voices are taken into consideration and brought to inform the strategies and projects of the Alliance.

The activities outlined in pursuit of these objectives within the Board's Statutes are:

1. Representing students on relevant committees and groups within the Alliance; monitoring projects and policies of the Alliance;
2. Developing relevant activities to strengthen cooperation amongst students between the Alliance's partner universities;
3. Representing Una Europa externally in student related activities;
4. Supporting and assisting in the development of student mobility initiatives between the Alliance's partner universities; and
5. Monitoring policy developments in higher education with the assistance of Una Europa VZW.
