

Stage 2 International Modern Languages

Registration

At stage 2 you have chosen the two subjects for your joint major.

You must be registered for a total of 12 modules (= 60 credits). These modules must include:

Your Core module SLL 20030

Module Coordinator: Mary Farrelly (mary.farrelly@ucd.ie)

Weekly Contact hours:

Tue, 10-11 F 101 (Newman Building)

Thur, 10-11 F 101 (Newman Building)

2 Core language modules in each of your major languages

A minimum of 2 level 2 option modules in one language

A minimum of 3 level 2 option modules in the other language

(Please note that you will reverse this balance at stage 4)

If you are carrying missing credits from stage 1 because you either did not register for 60 credits at stage 1 or did not pass all your modules, you must make sure that you register for the required number of modules, including resits and repeats.

2 elective modules

If you want to continue with a third language, you must use your elective credits for this. Otherwise, your elective modules can either be modules from your major subjects or modules from any other subject or programme that are available as electives. Elective modules can be at any level, but it is not normally advisable to choose a level 3 module while at stage 2 of your programme.

Erasmus

One of the most exciting things at stage 2 is looking ahead to your Erasmus year. Please note that you must pass all core language modules to be eligible for Erasmus.

You will hear more about this during week 2 of SLL 20030. The internal application deadline in the School will be at the end of November, the deadline for the central online application is in January.

Contact

Sabine Krobb (strumper.krobb@ucd.ie). For academic advice and general questions about the curriculum, Erasmus. Appointments for a meeting either in person or on zoom can be arranged via email.

Amy Smith (amy.smith@ucd.ie). For administrative questions, issues with registration.
