MA/GradDip in Languages and Image Studies

The programme invites students to acquire new language skills, or to refresh and extend their knowledge of language(s) already studied. At the same time, MALI students will develop their critical and analytical thinking via image-centred modules taught from a global perspective by in-house School experts.

Programme Highlights

- **Engage with global culture** through an analytical and critical lens.
- **Acquire new language skills**, or refresh and extend your knowledge of language(s) already studied
- **Develop their critical and analytical thinking** via image-centred modules taught from a global perspective by in-house School experts.

Entry Requirements

- A minimum grade **2.2 or higher in their primary degree (NFQ Level 8 or international equivalent)** and ideally (but not compulsorily) in a cognate area.
- **One reference** from academic referee willing to comment on their intellectual ability, maturity and motivation.
- It is not necessary to have previously studied languages at Third Level before applying to MALI.
