

VO: Welcome to My Course Compass

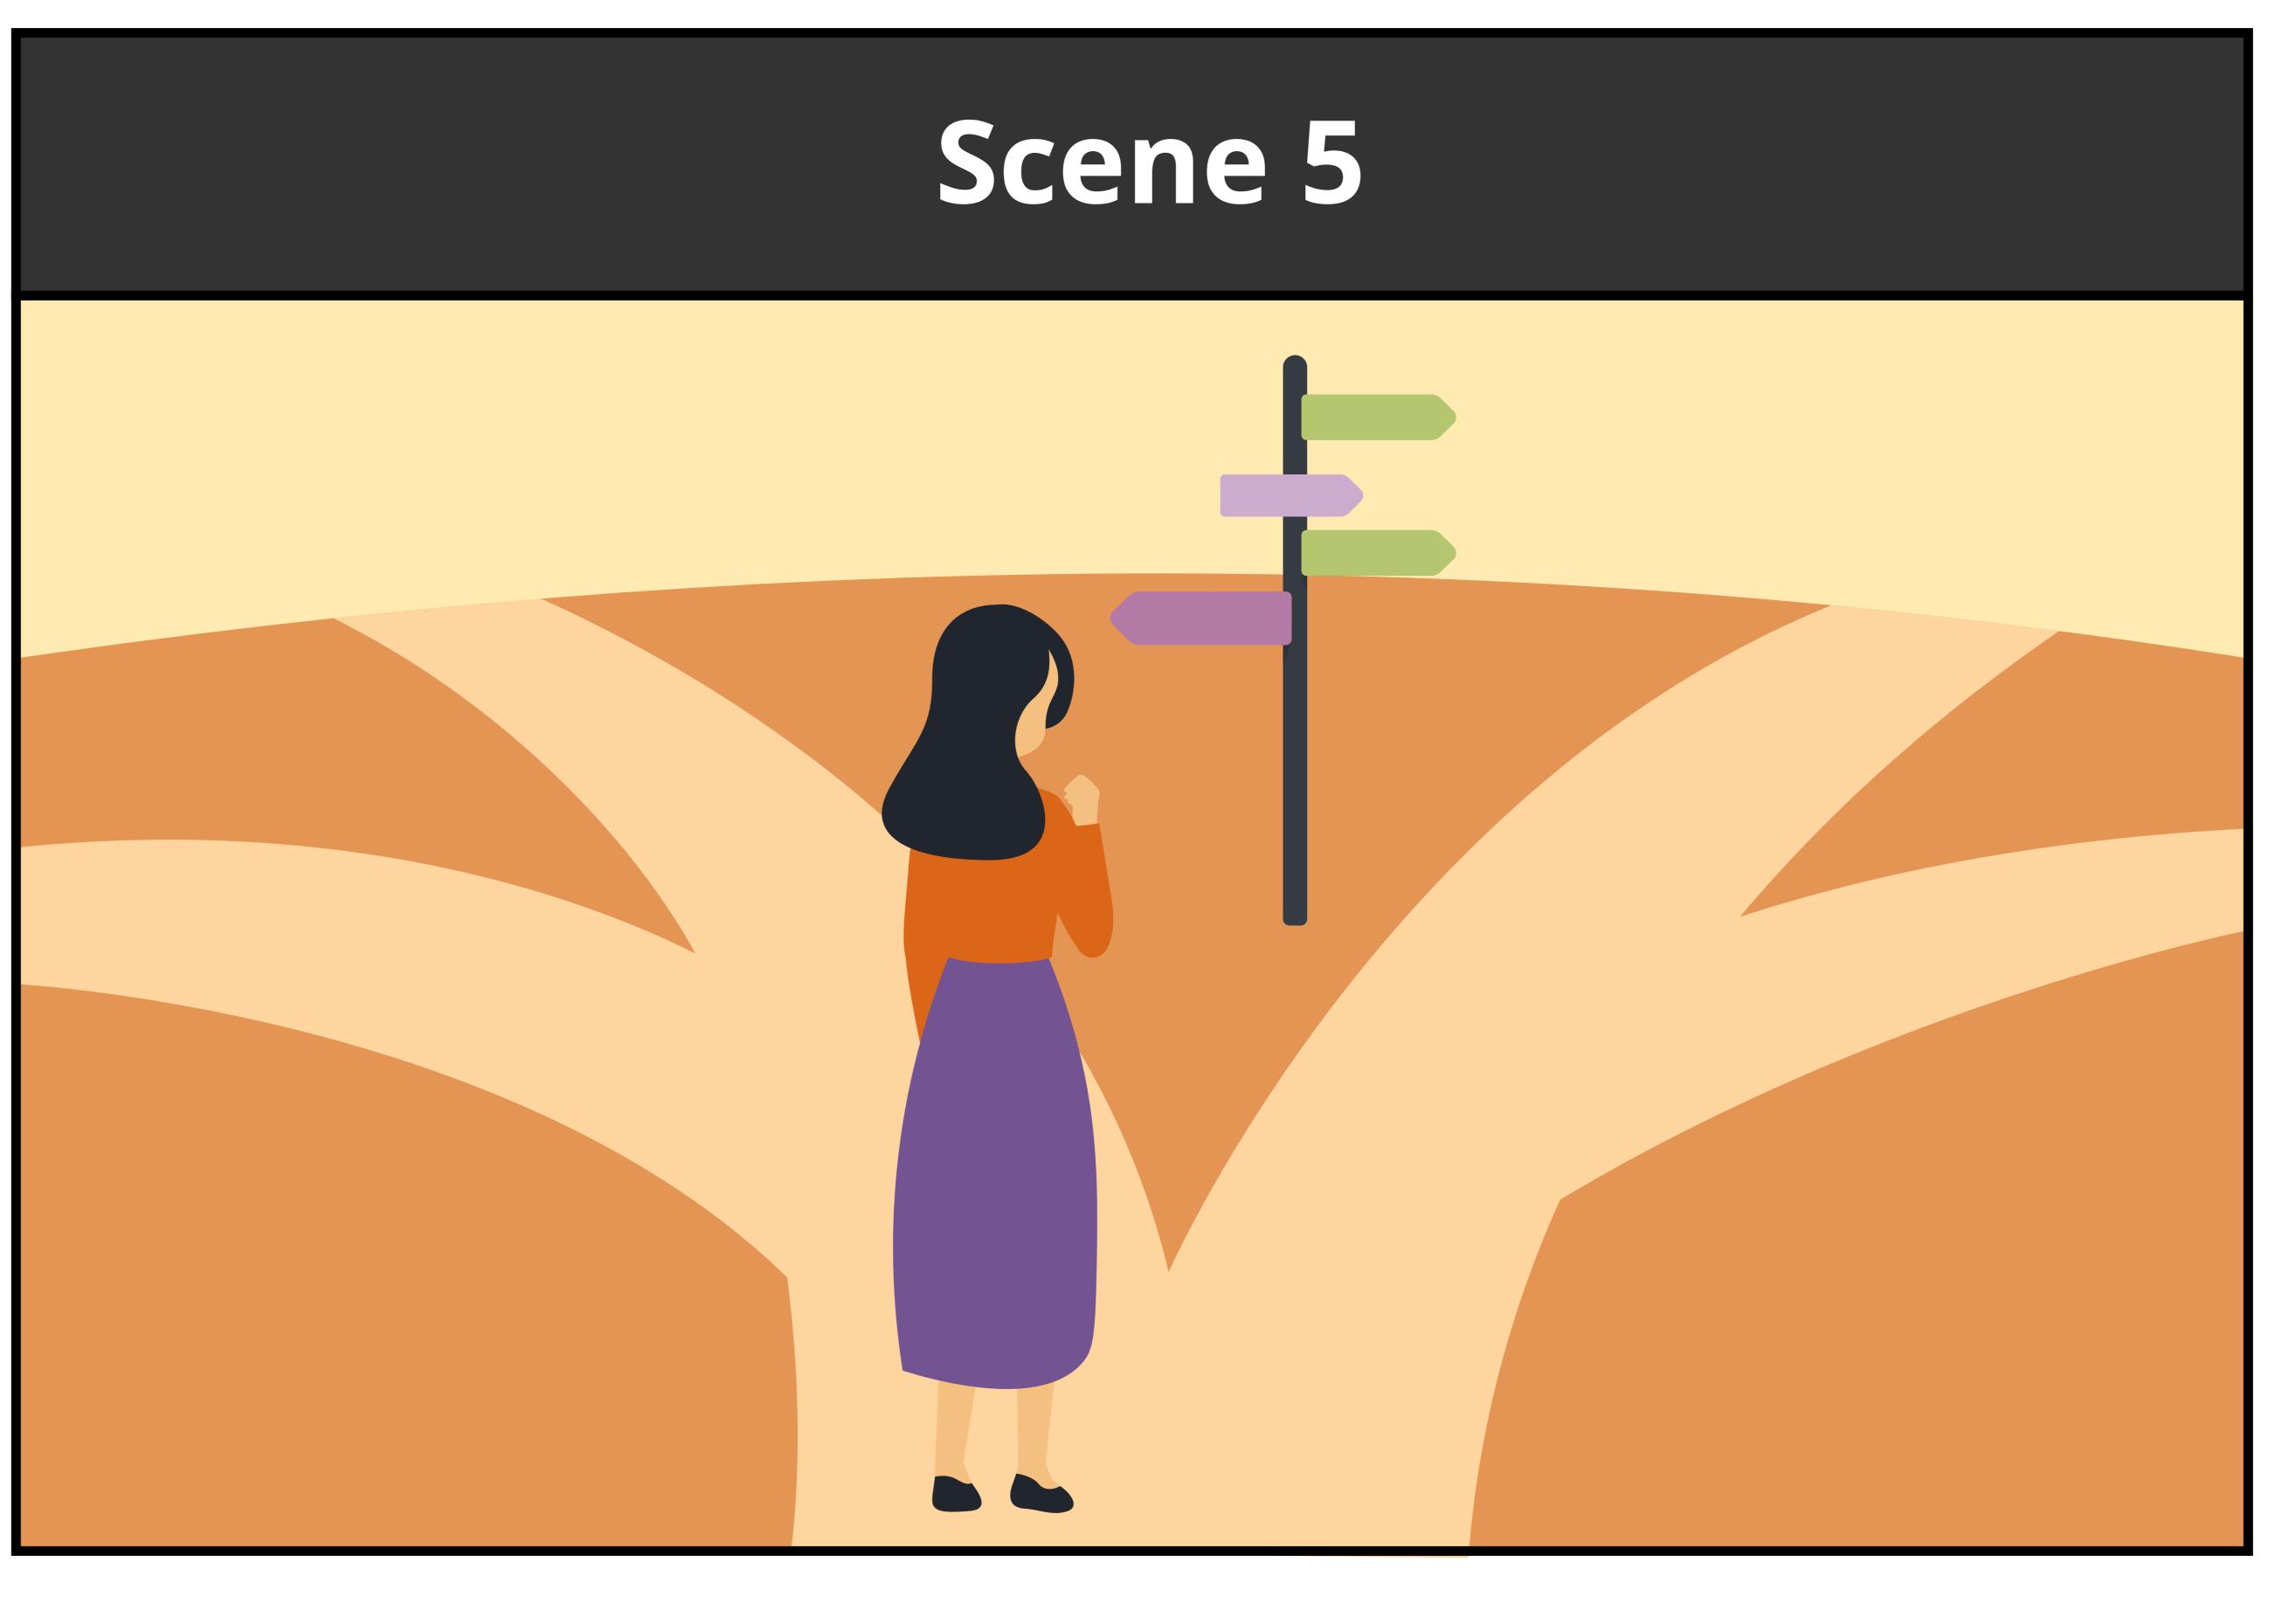

VO: a tool to guide you through your degree at UCD.

VO: By taking a degree in the College of Arts and Humanities

VO: you get to choose which direction to take.

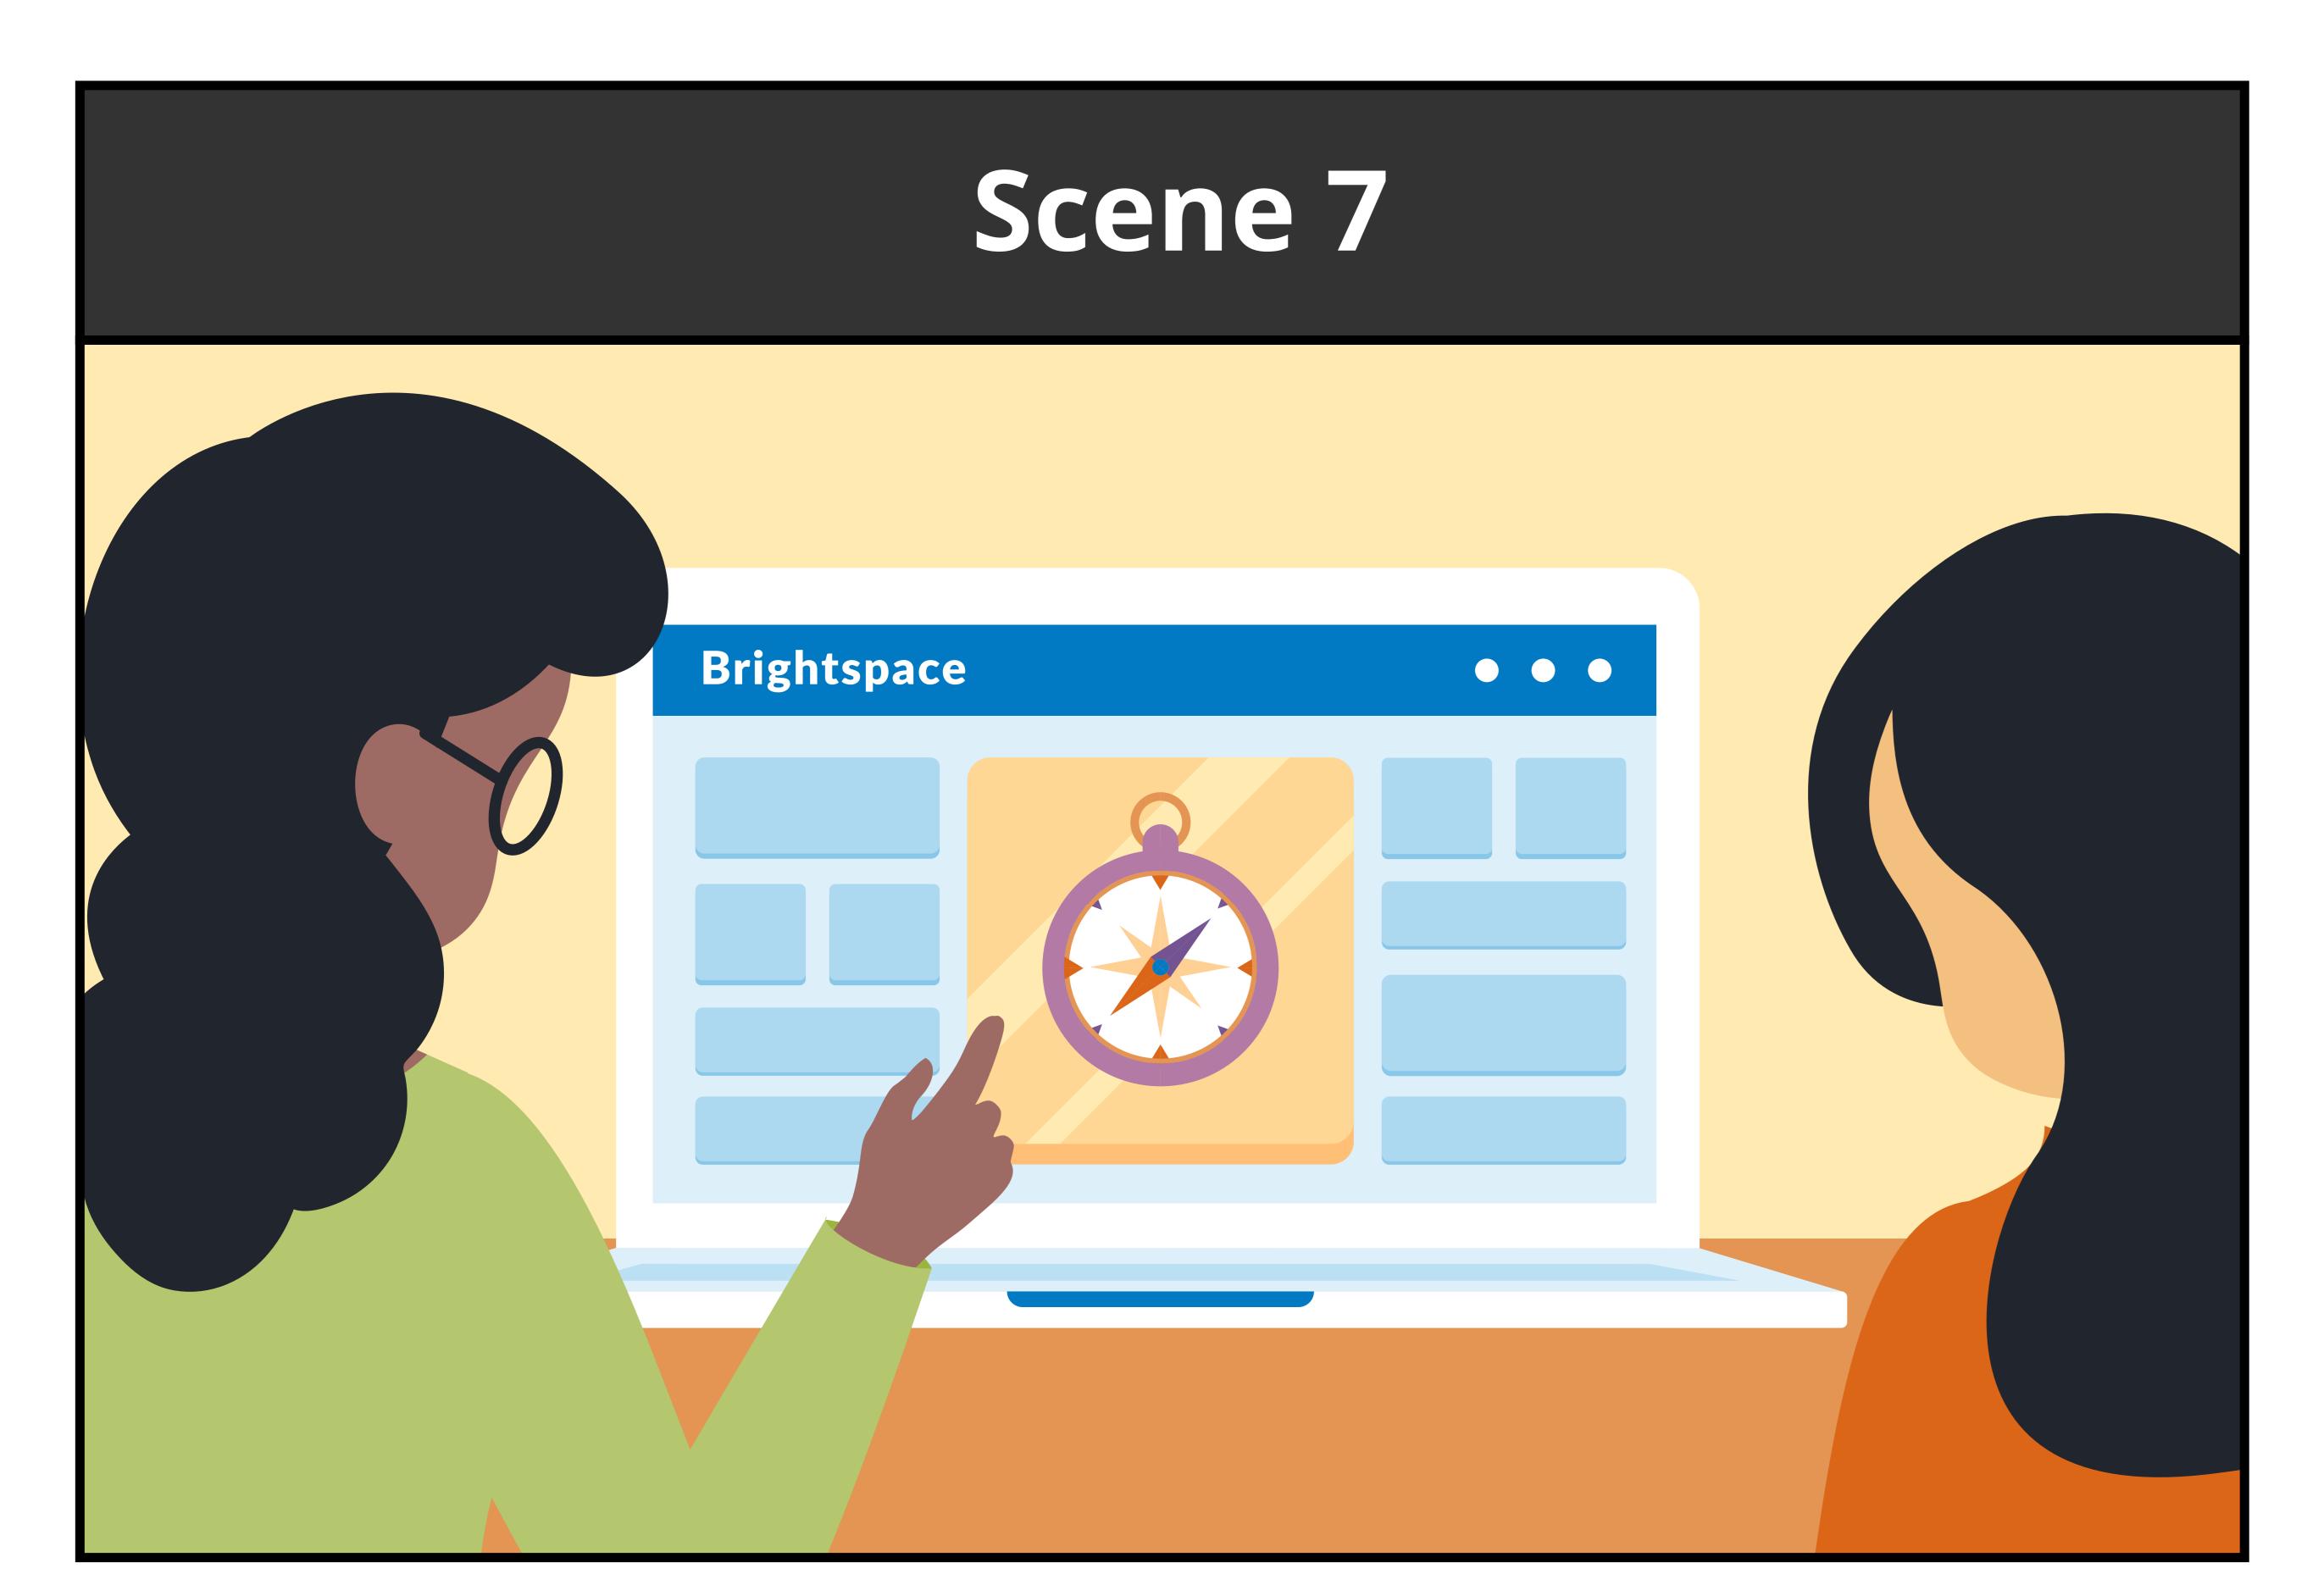

VO: With a wide range of subjects to choose from, it is up to you to decide where you want your academic path to lead.

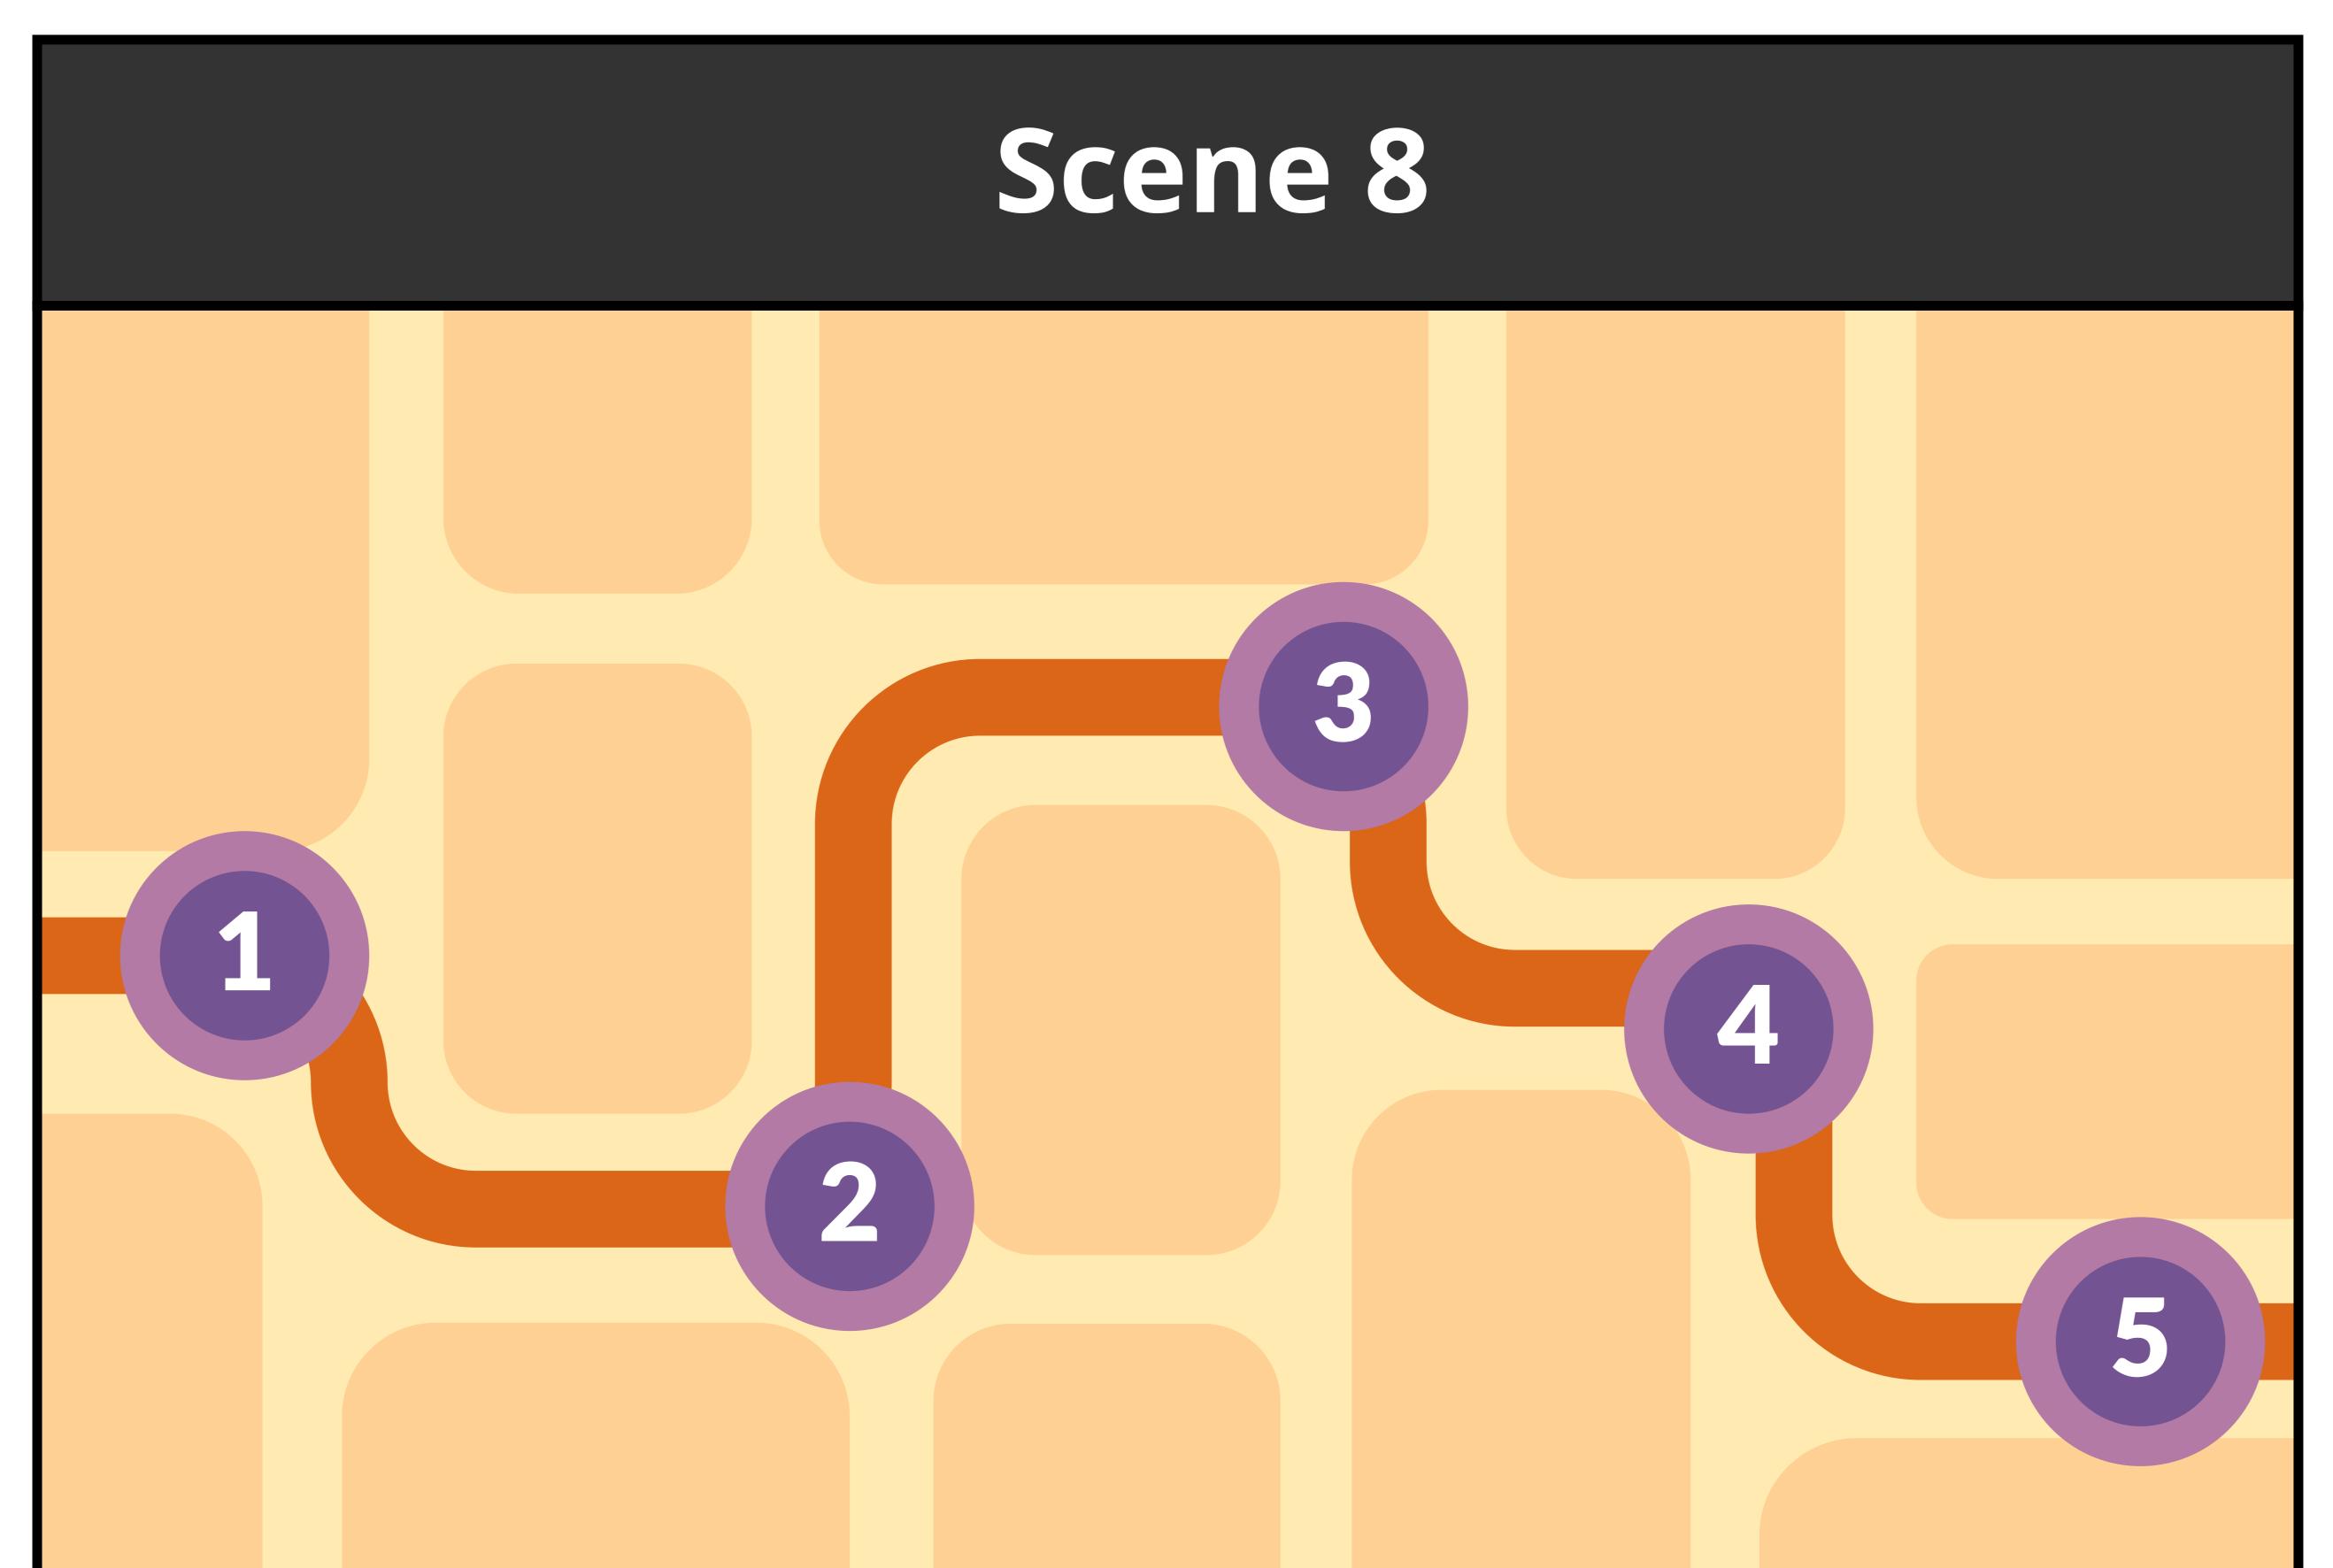

VO: But with so much choice, it can be difficult to make decisions.

Anim scene 4-6: the directions get more and more, the student gets shock

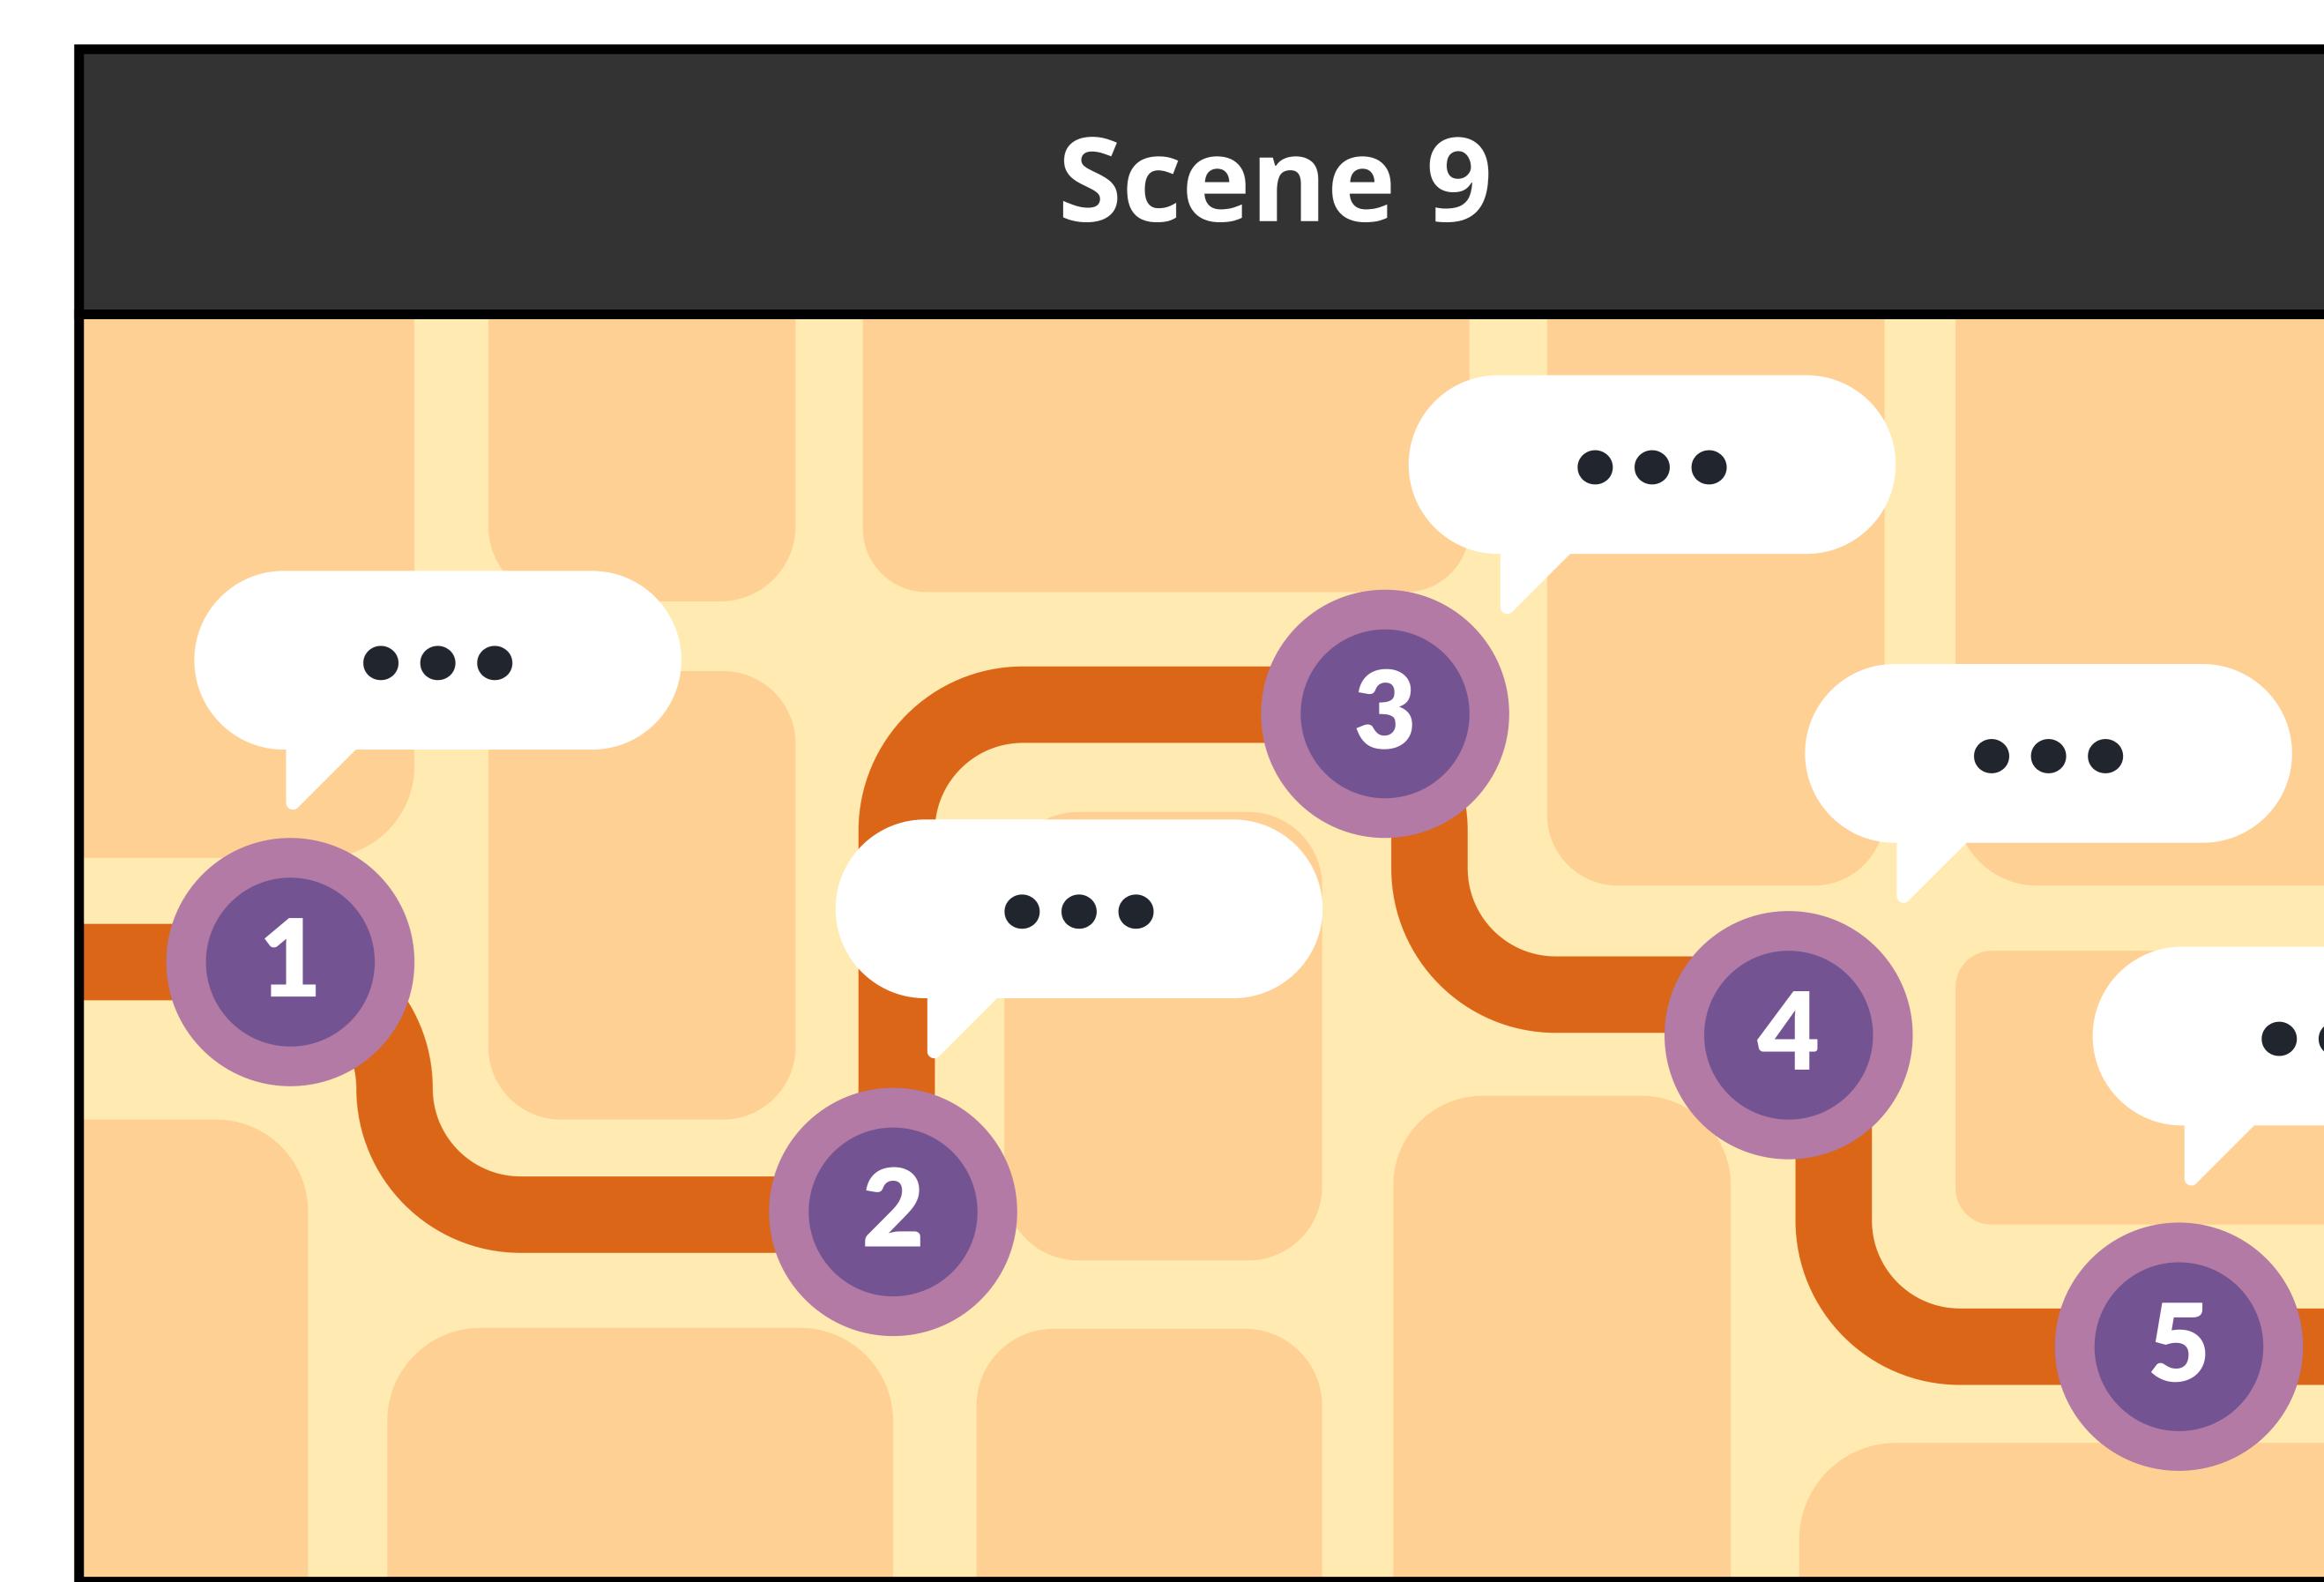

VO: My Course Compass can be accessed from Brightspace

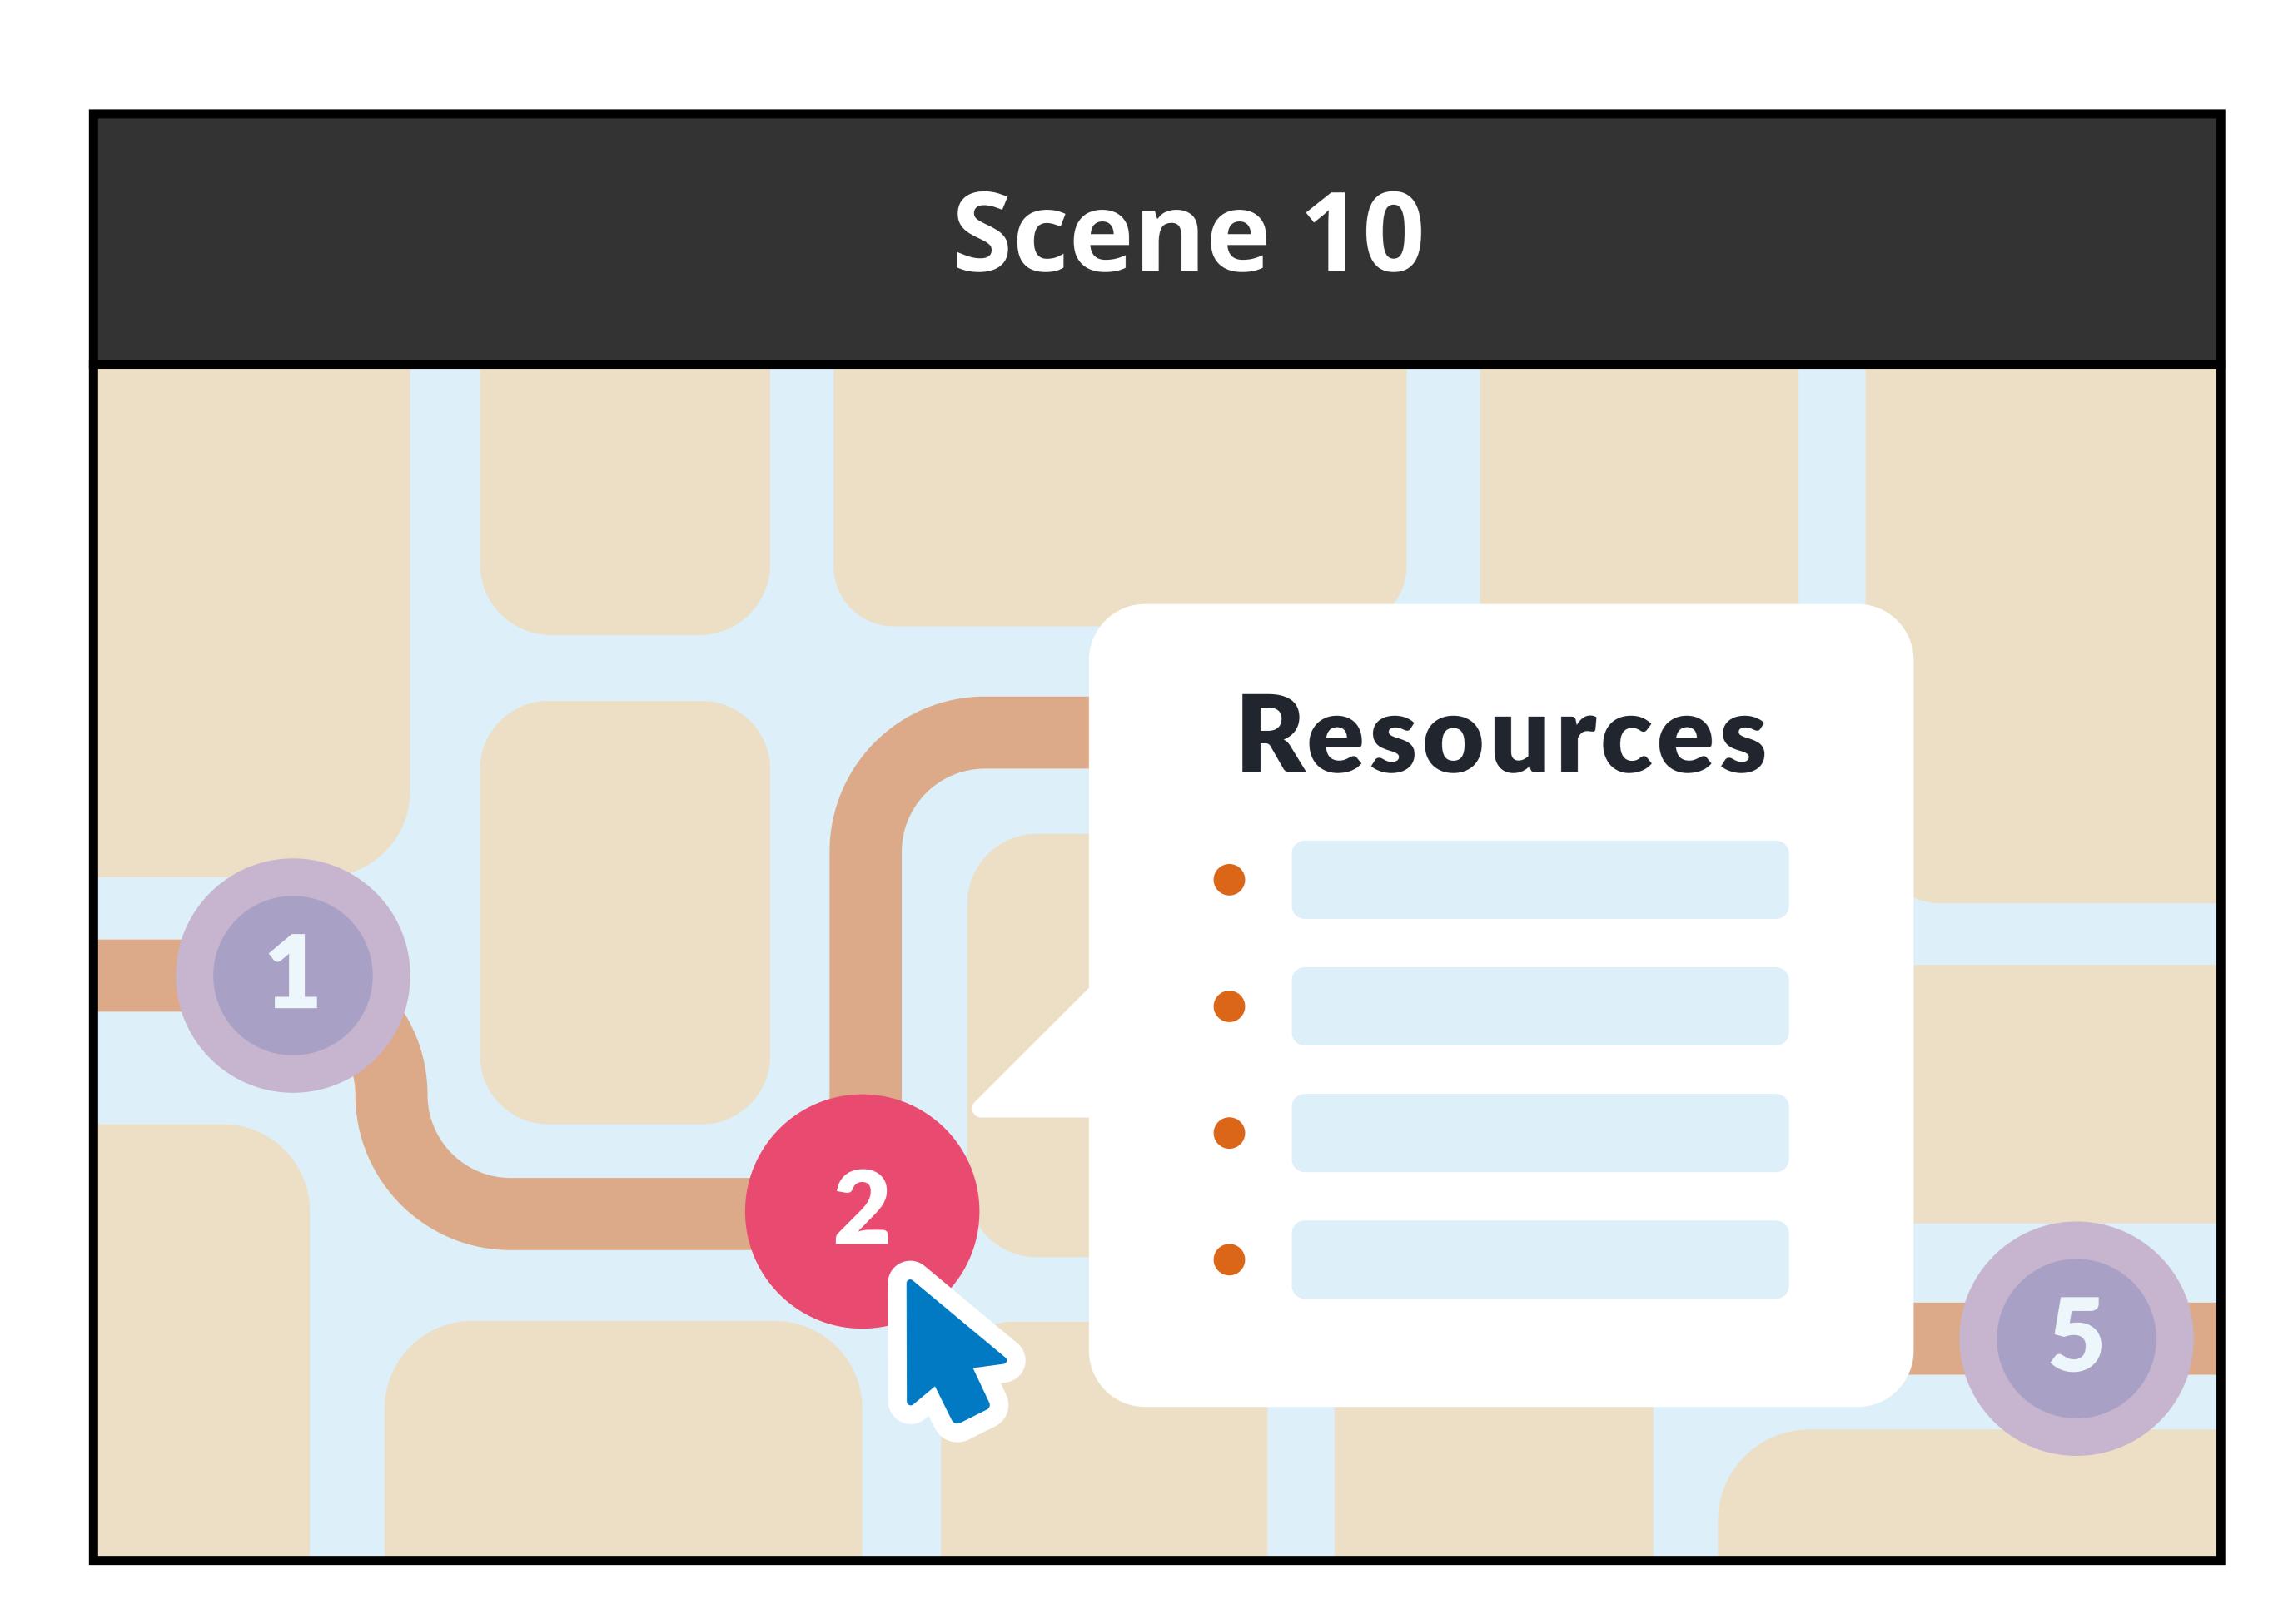

VO: and it will clarify what you need to do at key **VO:** what information you need, decision making points,

Anim: from previous scene, zoom in screen to transfer to this scene

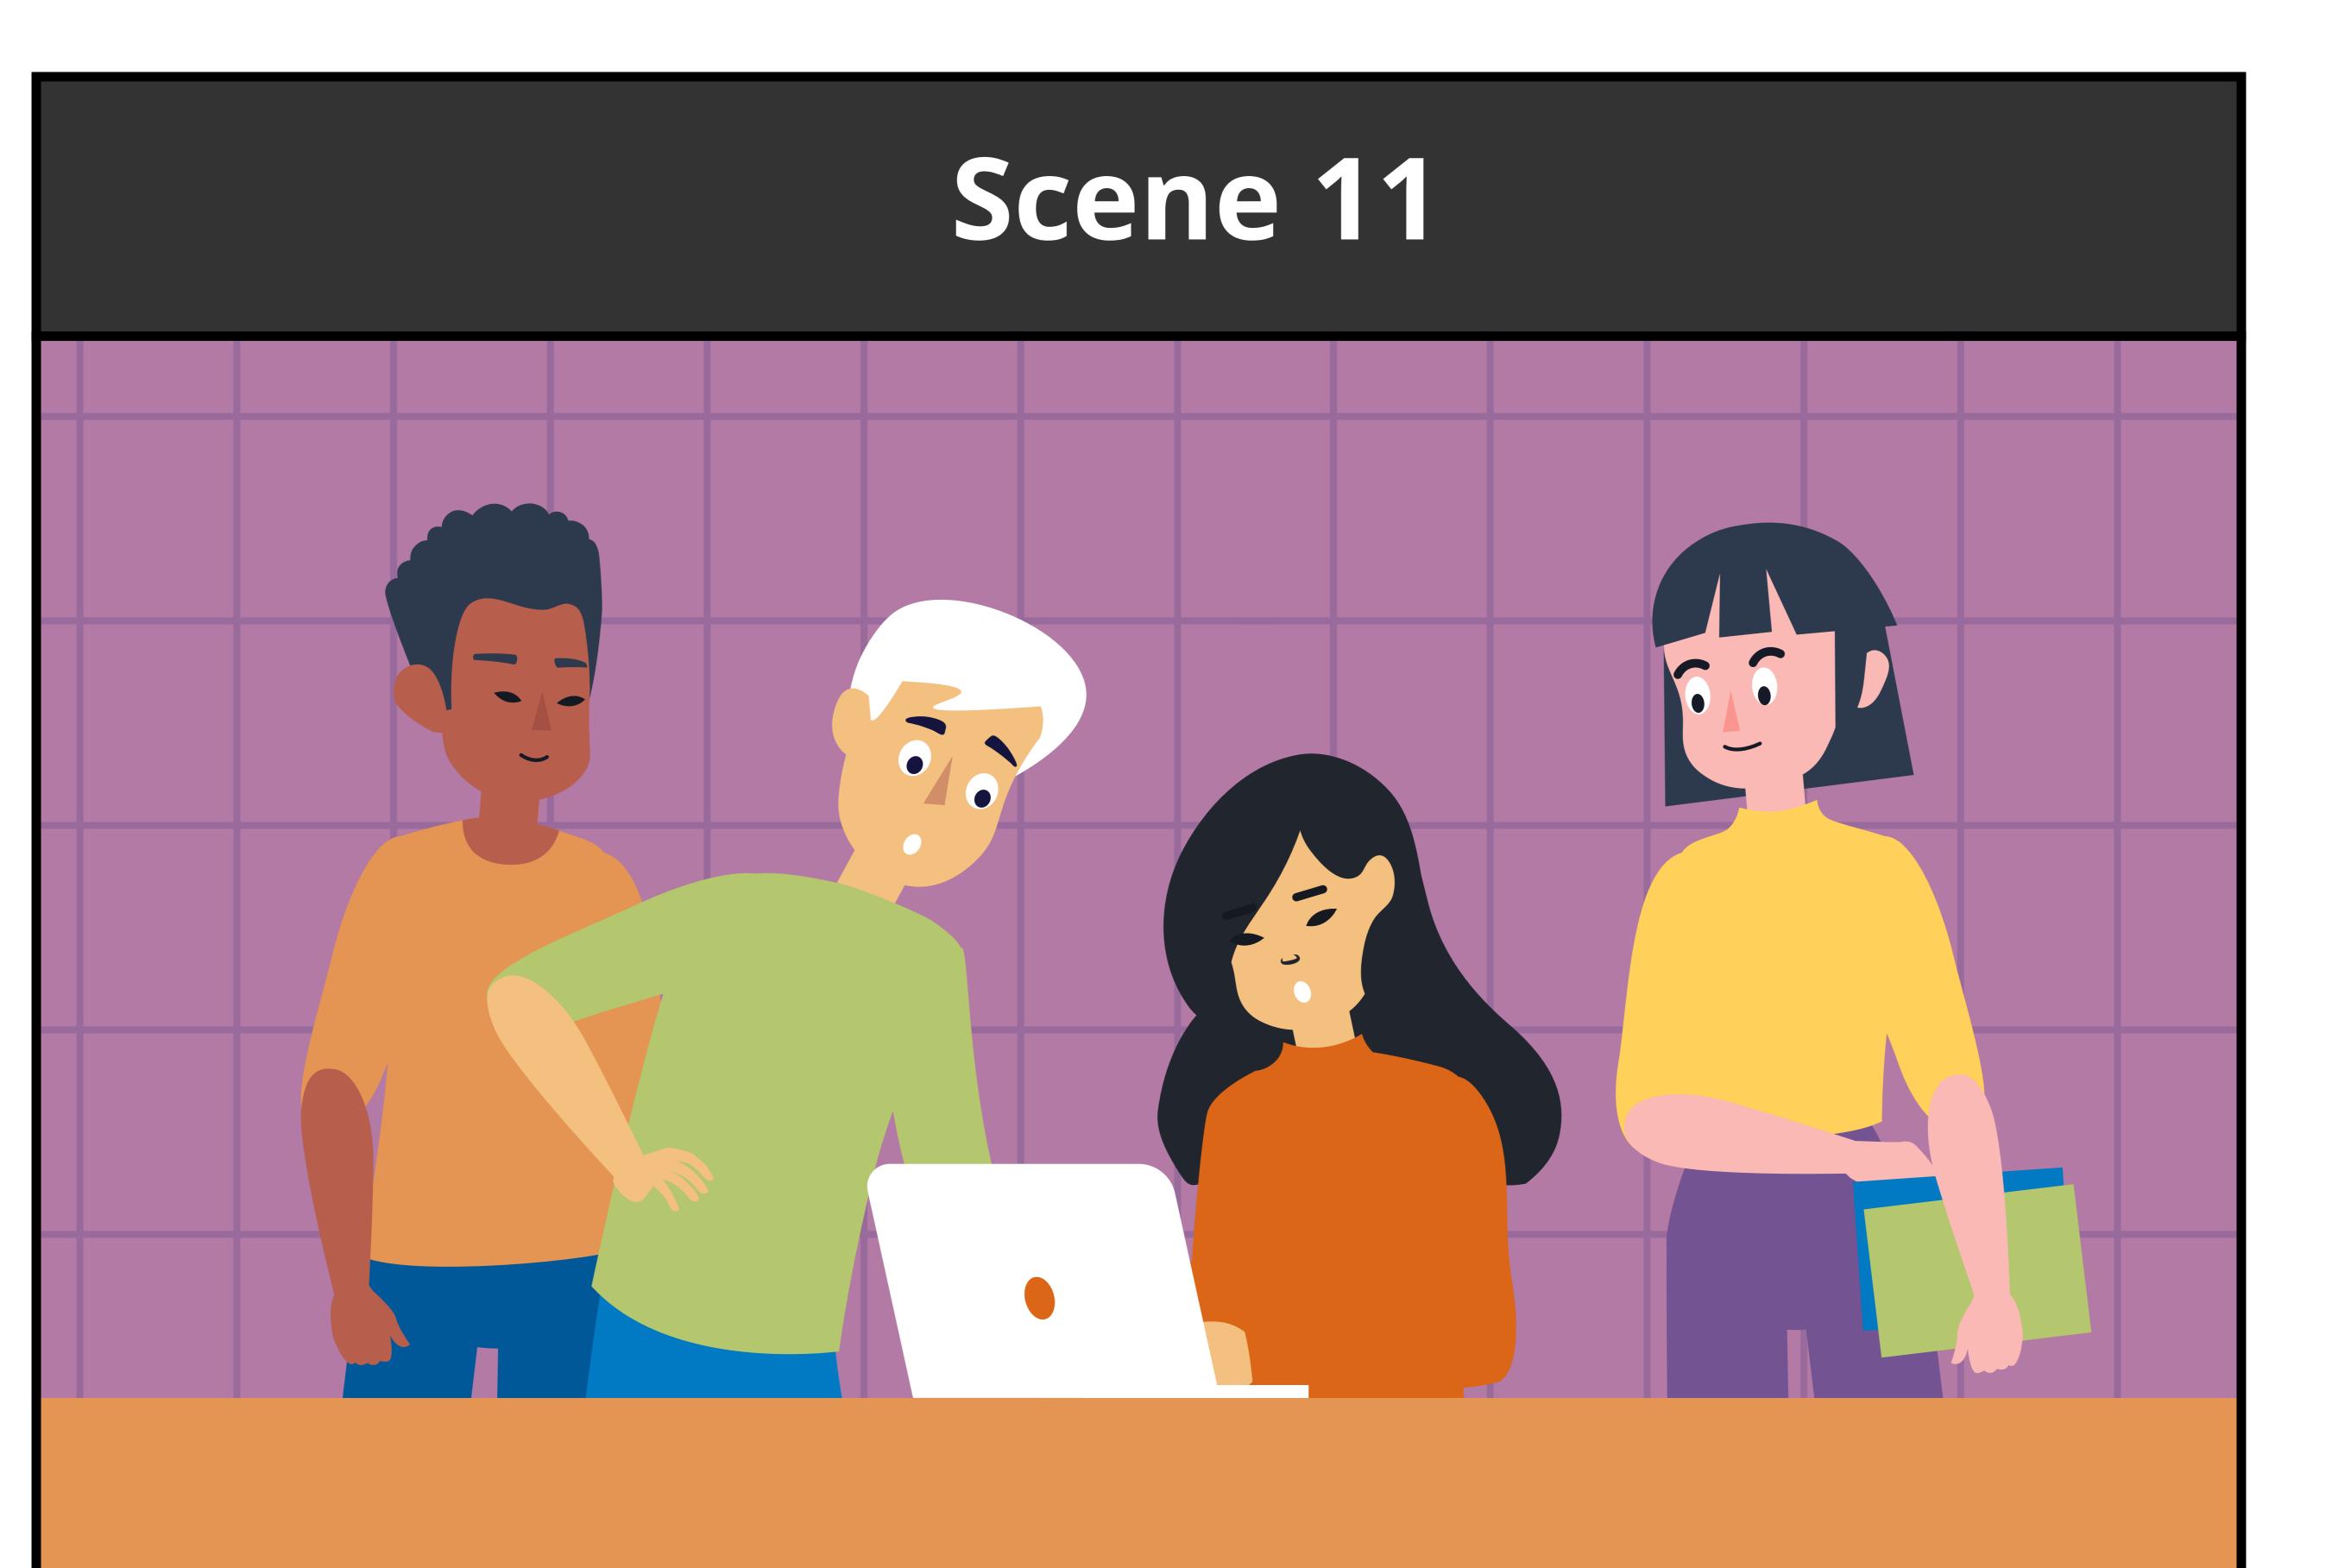

Illustration

VO: and it will direct you to further resources if you need them.

Anim: mouse clicks in number 2 and show the board

VO: You'll also hear from other UCD students, **Anim**: friends gather around the girl

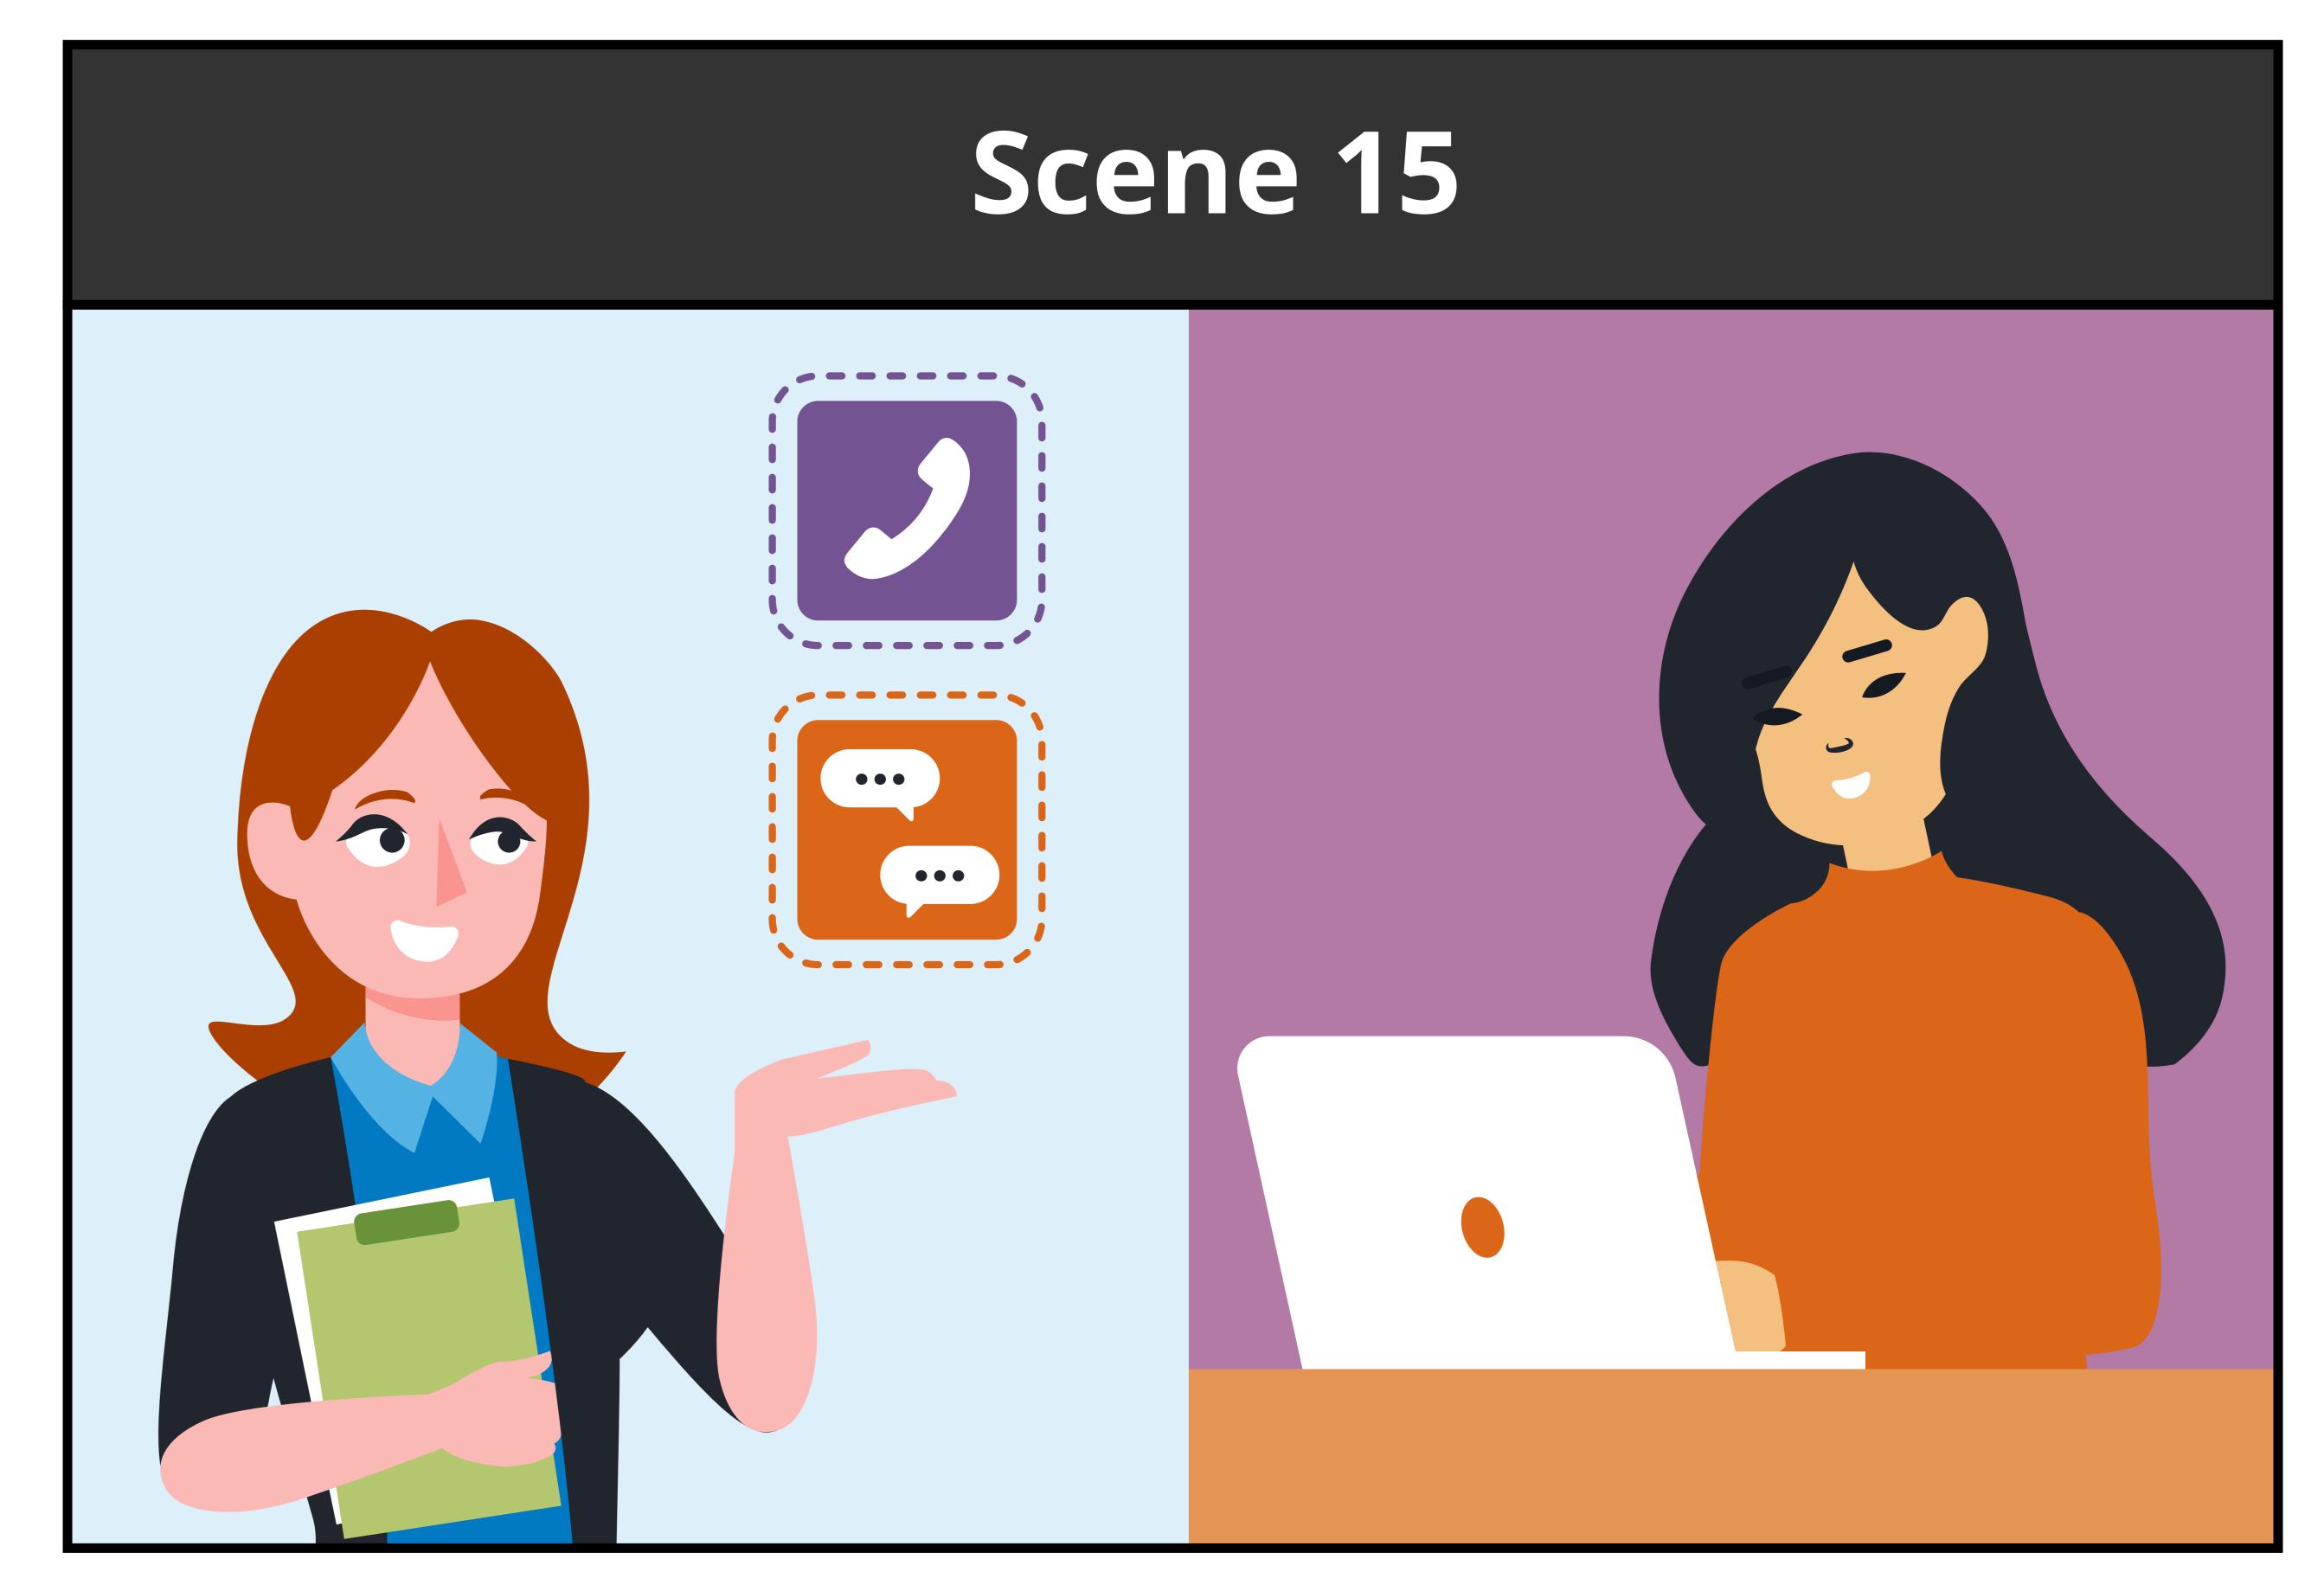

VO: who will share challenges they encountered and lessons they learned.

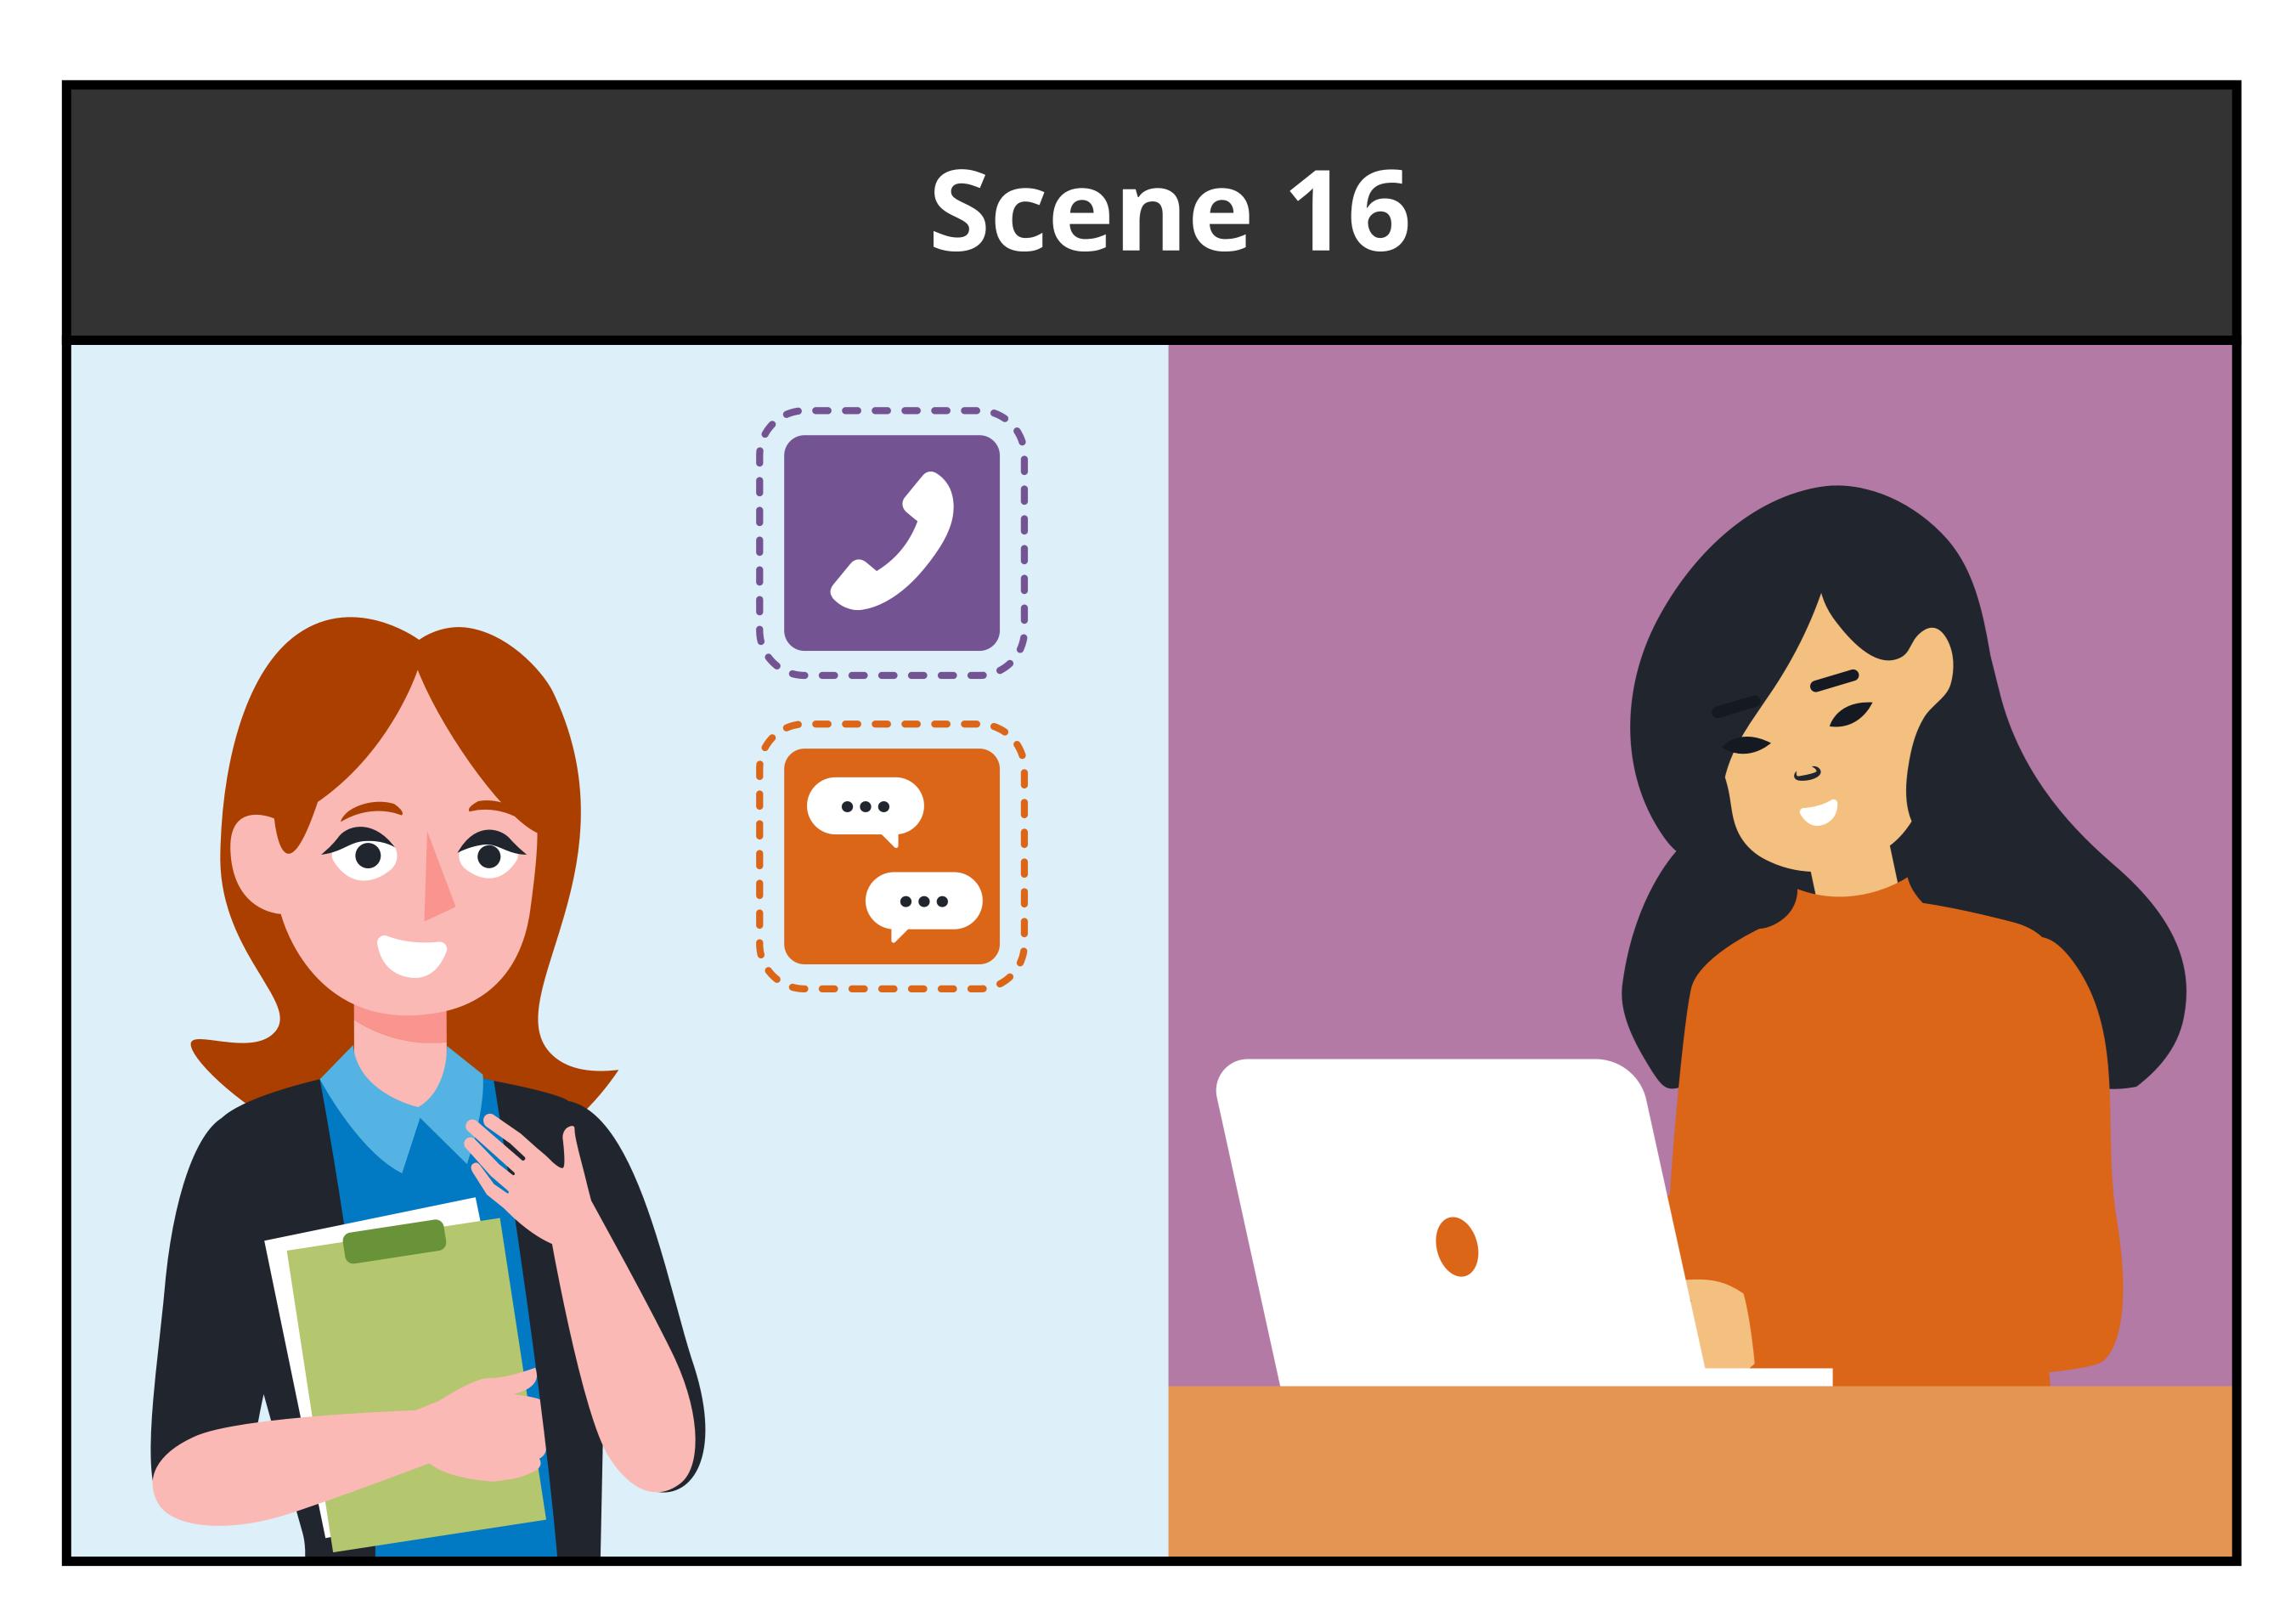

VO: You can move through My Course Compass at your own pace.

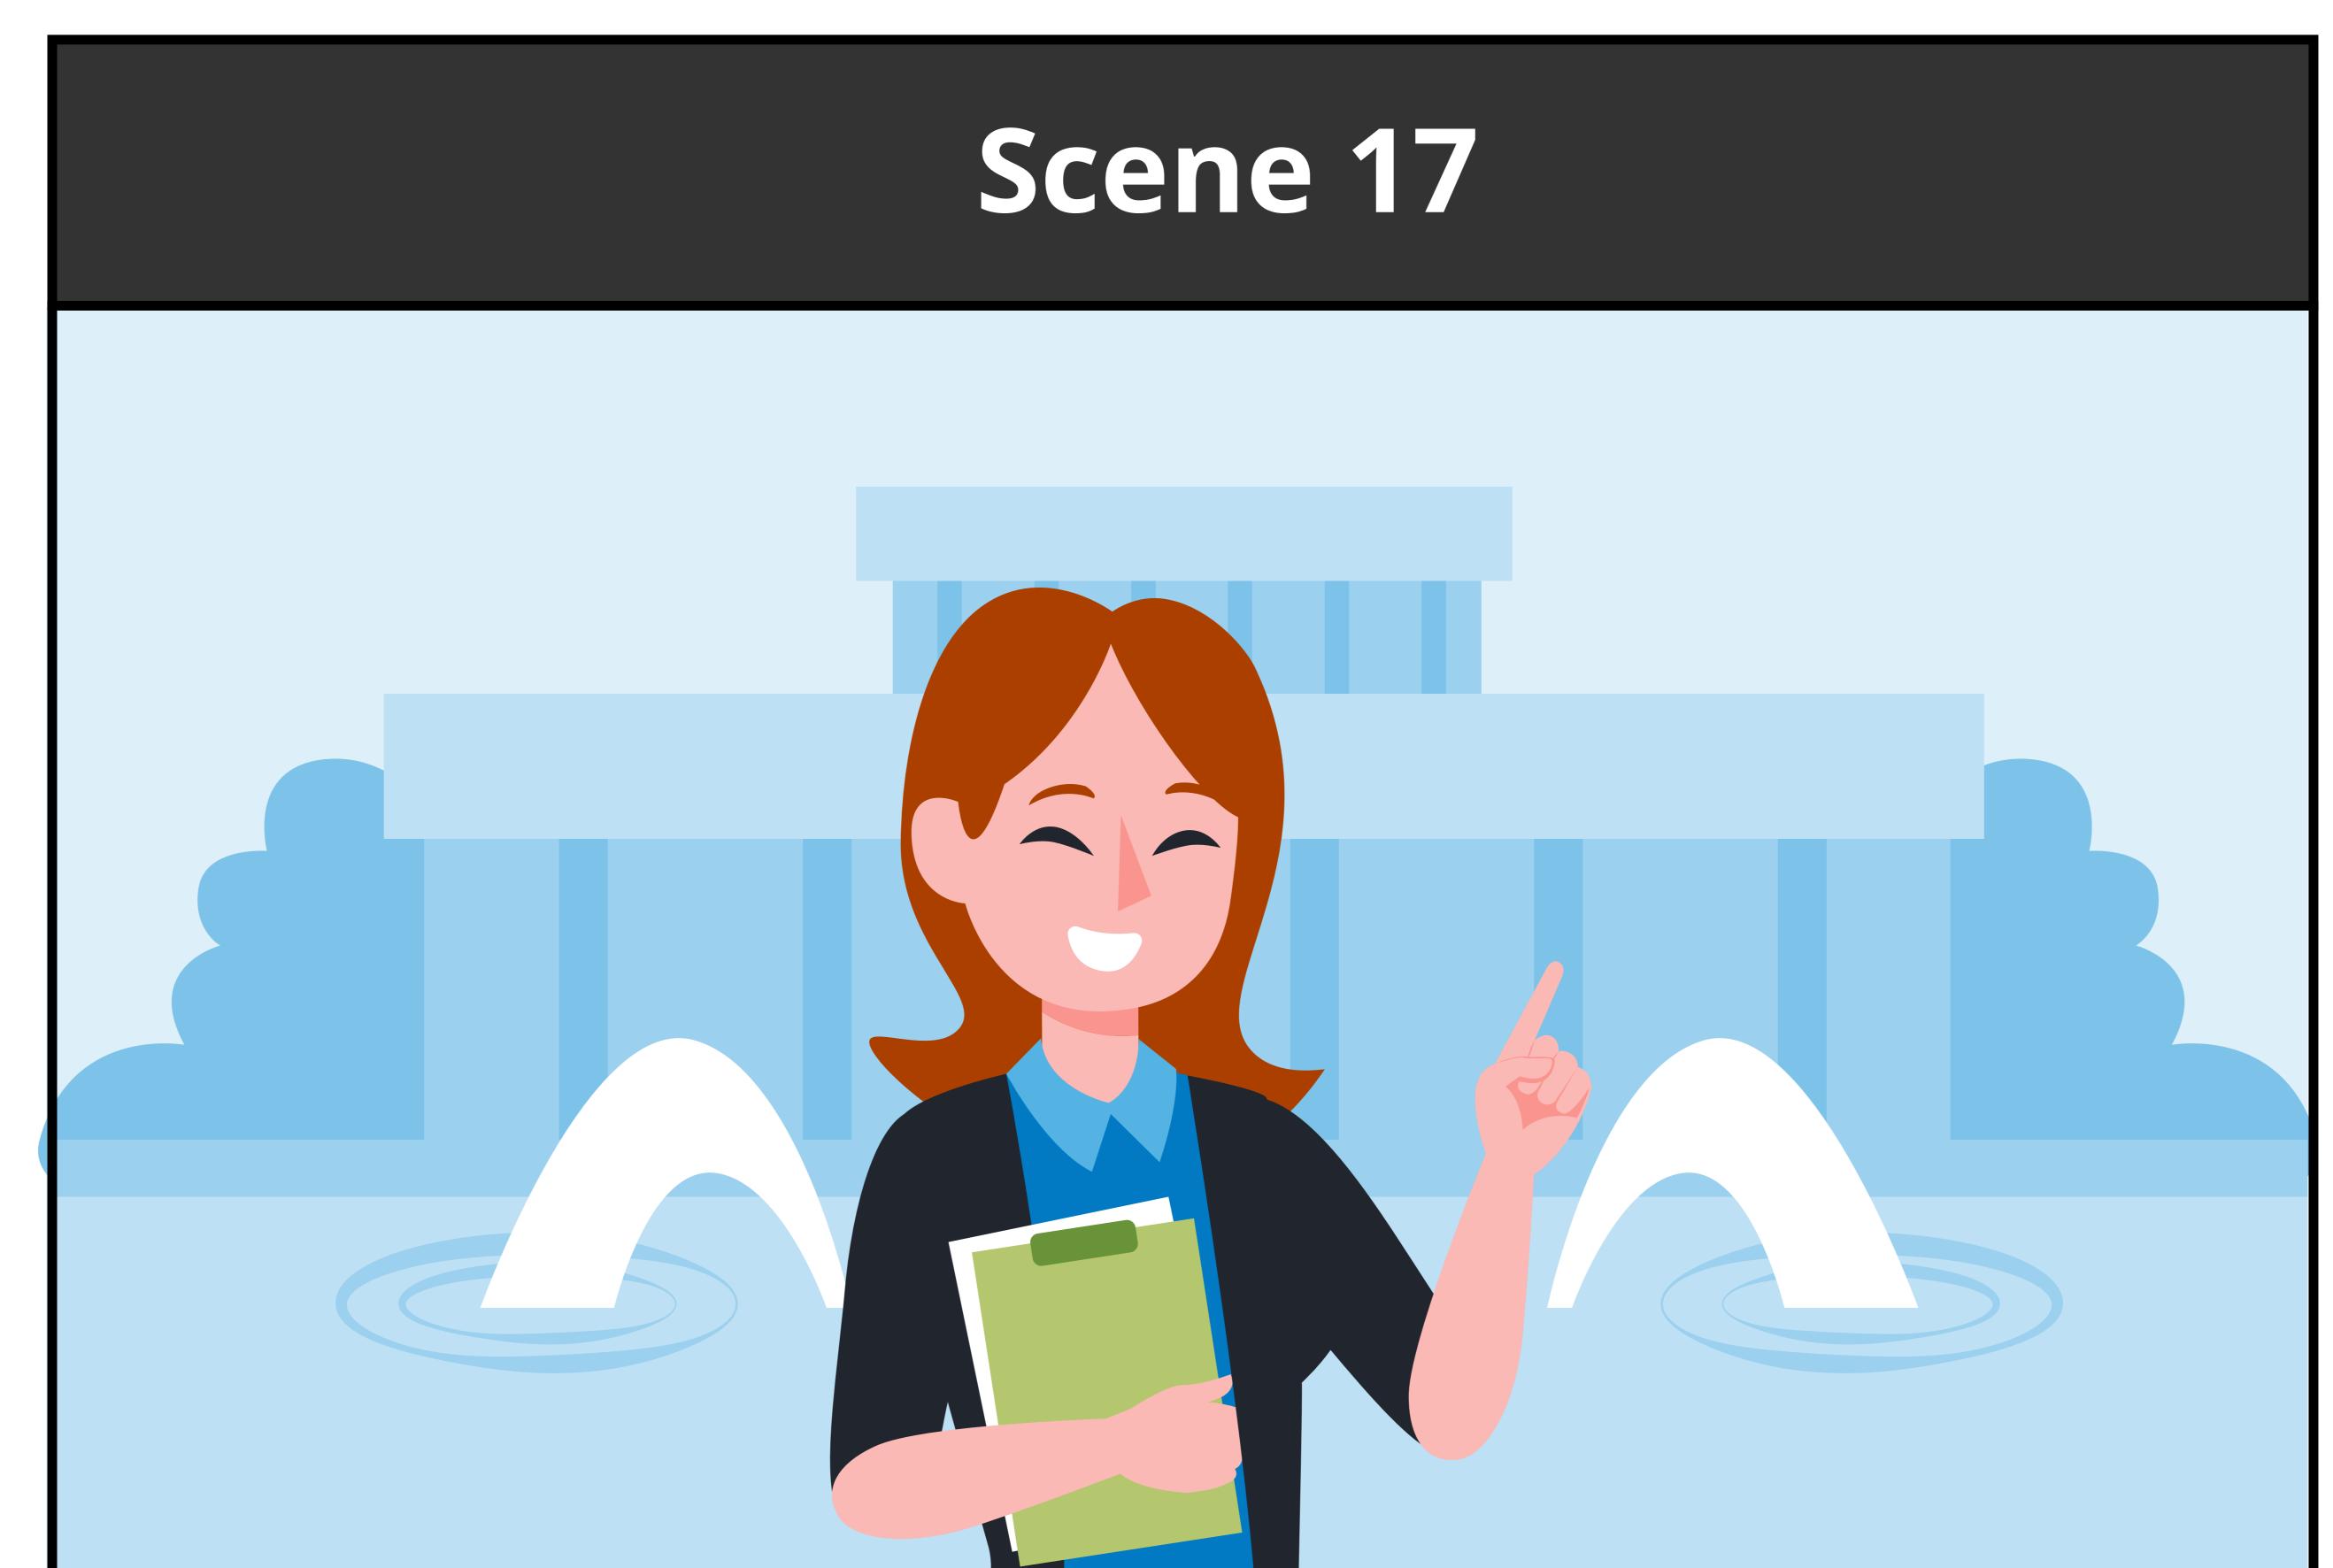

VO: Check in regularly throughout your degree, especially at key decision-making points.

VO: If you have any questions, give us a call or pop in for a chat,

VO: and we'll be happy to help you.

VO: Let's go!
