

CLINICAL EXTRA-MURAL STUDIES STUDENT INFO

Name:.....

Vet School:..... **Year:**.....

Aims for this Placement:

- 1.
- 2.
- 3.
- 4.

Some topics I have covered this year are:

- 1.
- 2.
- 3.

Potential Field(s) I want to work in:.....

Phone Number (for cases of interest OOH):.....

Finish Date: **Tea/Coffee:**.....

Self Assessment of Skills Pre-Placement (Yrs 3/4):

We encourage you to score your confidence in performing the below skills which were identified by veterinary students as key skills they wished to improve during their EMS placements. These scores should form a starting point for conversations with the practice & allow you to reflect and compare your confidence at the end of the placement

(1 = Not very confident at all/never performed, 5= Confident at performing competently/solo where appropriate)

Ability to safely handle and restrain a horse, including quick release knots

1 2 3 4 5

Perform a full clinical examination

1 2 3 4 5
