

Dr Niamh Nestor

Student Adviser

#IWD2020

#EACHFOREQUAL

UCD School of Veterinary Medicine

“Start with education and interrogate the kinds of biases that exist in our education system. We have to investigate, understand and challenge the structural underpinnings that create distinct expectations about gender performance, gender identity and gendered roles.”

Since 2014, I've had the good luck to be the Student Adviser at the UCD Vet School. As Student Advisers, we are a point of contact, support and referral for all UCD students throughout their studies. In my free time, I love to knit, read, walk and listen to music. One of my favourite things to do is play the piano and have a sing-song with my family. I co-run UCD Purl Jam, a craft group on campus. I set up the Please Talk Vet Community Garden and I also organise weekly yoga classes for staff in the building. I'm a member of the UCD Community Choir. I have a keen interest in languages and all things (socio)linguistic.
